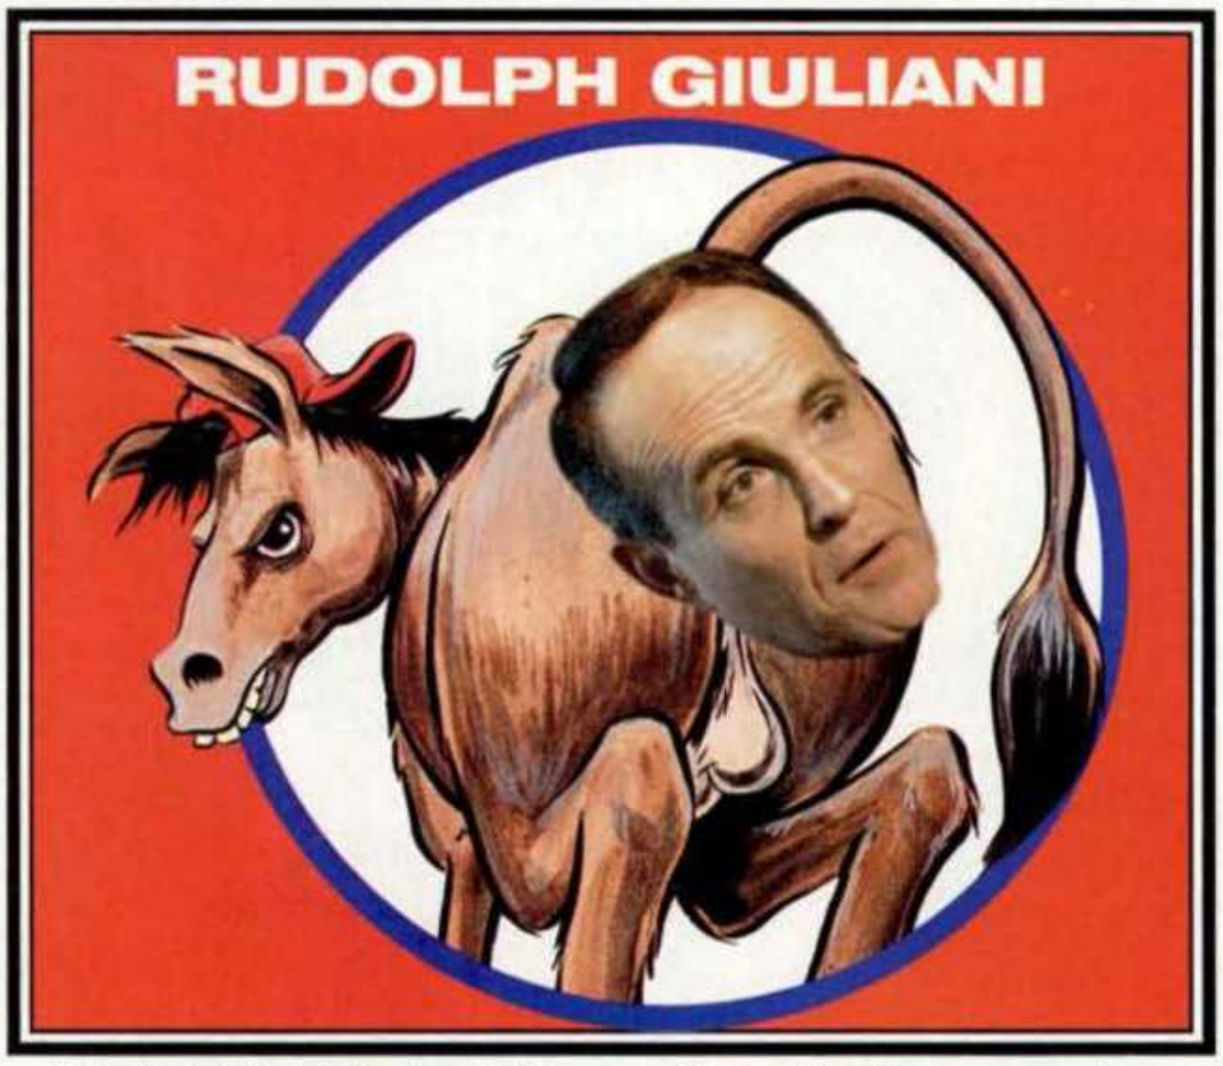
BITS and PIECES

ASSHOLE OF THE MONTH

Someday, a real rain's gonna fall and wipe all the scum off the streets. So predicted famed cinematic sociopath Travis Bickle as he navigated New York City's crime-infested thoroughfares in the *1976 film* Taxi Driver. In 1999, the deranged cabbie's prophecy has come malodorously true. The streets of New York now display all the grit and vitality of a Gap ad. Instead of the cleansing shower that Bickle had envisioned, the changes have been brought about by a hailstorm of turds spat from the inflamed sphincters of Mayor Rudolph Giuliani. Giuliani's fecal downpour has earned him the title of HUSTLER's February 2000 Asshole of the Month.



Like fellow Italian fascist Benito Mussolini, the 55-year-old Giuliani, who was elected in 1993, rose to power with promises of restored social order.

Giuliani proclaimed in April 1998: "Freedom is about authority." Extending that Republican doublespeak to his "quality of life" campaign, Giuliani turned his vindictive eye toward the general populace and transformed New York into a police state.

Surveillance cameras line the streets where squeegee-wielders once plied their trade. Zero-tolerance assaults on street vendors and jaywalkers have been launched. While pretzel-stand proprietors dodge police batons, Giuliani disregards the real disasters that his totalitarian regime has brought upon New York.

When demonstrators protested the NYPD's 41-bullet slaughter of an unarmed, black CD vendor, Il Rudy fueled the city's already flaring racial tension by categorizing the public outrage as "silly" and ordering the *protesters* arrested. In mid-1999, a $1-billion class-action lawsuit was launched on behalf of at least 53,000 New Yorkers who had been illegally strip-searched by Giuliani's storm troopers.

Giuliani's attitude toward consensual stripping is less cavalier. Perhaps mistaking Times Square for Tiannamen Square, in 1998, Giuliani initiated a hard-nosed campaign to drive strip clubs and sex shops from the area with intimidation and discriminatory zoning laws. Harking back to Communist tactics, Giuliani encourages citizens to photograph patrons of such establishments.

Meanwhile, the corporate whorehouse is open for business. While forcing adult emporiums from Times Square, Giuliani granted $666.7 million in tax abatements to allegedly legitimate businesses locating to the area. He approved almost $30 million in low-interest loans to Disney to renovate 42nd Street's New Amsterdam Theater—all while drastically cutting budgets for schools, museums and hospitals.

Giuliani's puritanism fails to extend into personal matters. In its September 1997 issue, *Vanity Fair* insisted that Giuliani had engaged in a long-term affair with his then-communications director, Cristyne Lategano. Giuliani, who has been married to actress/news reporter Donna Hanover since 1984, responded from both sides of his asshole by repeatedly barking that his personal life was nobody's business.

The most recent steamy missile from Giuliani's shit rings centers around the Brooklyn Museum of Art's presentation of Nigerian artist Chris Ofili's depiction of a black Virgin Mary with a clump of elephant dung serving as one of the ebony Madonna's breasts. Bellowing about publicly funded "Catholic bashing," Giuliani cut off the museum's subsidy. "The taxpayer dollars shouldn't be on either side of this dispute," Giuliani ranted, speaking for a constituency that, according to polls, disagreed with his actions by a 2-to-1 margin.

Had Giuliani bothered to read the catalog that brought the Ofili piece to his attention, he might have noticed a disclaimer stating that the exhibit wasn't being underwritten by public funds. Had the self-appointed art führer looked before he shat, he might have known that Ofili, himself a Catholic, has employed elephant dung in numerous other nonsectarian works.

Given Giuliani's bid for election to the United States Senate, his self-righteous morality bears the foul stench of political grandstanding—a fume that will spread on a national scale if he wins in 2000. Giuliani's wrath toward artist Ofili's use of elephant dung might be competitive. Dispensing shit is an anus's job. As Giuliani has demonstrated time and again, Asshole is a position for which he is eminently qualified.

FARTS IN THE WIND

Bernard Lewinsky: When a character on NBC's *Law & Order: Special Victims Unit* used the phrase "getting a Lewinsky" as a synonym for receiving oral sex, the father of the world's most infamous fat cocksucker threatened legal action. "I deserve an apology and so does Monica," he bleated. How about an apology for raising a blabbermouth sow who squeals to the entire world about giving the President a blowjob? Maybe a class-action lawsuit against Bernie's sperm-gurgling progeny for wasting America's time? Here's another synonym for Lewinsky: Asshole.

Pat Buchanan: Facing an overwhelming lack of support for his Republican Presidential campaign, Buchanan has abandoned the GOP for the Reform Party. The former Nixon strategist and Reagan underling recently published *A Republic, Not an Empire*, in which he criticizes America's interference with the spread of Nazism in World War II and establishes himself as the Asshole of any party he attends.

Lesbian Dildo Dicking

I love lesbians; who doesn't? I especially love lesbo dildo play, and Harley and Gayle (*Harley and Gayle: New-Vage Healing*, Holiday Issue 1999) plug coochie like nobody's business. When I turned the page to see Harley pump her girlfriend's cunt with a see-through dildo in her mouth, I literally came in my pants! I've gotta hand it to HUSTLER—you always come through with the girl/girl action that I crave. HUSTLER rocks!

Summer in Winter

I've been a big fan of HUSTLER for a long time now. It's such a treat to see beautiful women like Taylor Hayes, Alisha Klass, Temptress, Asia Carrera and, of course, Jeanna Fine appear in your delectable pages. (By the way, when are we going to see new pictures of Jeanna in her *Dear Slut* advice column?) I applaud HUSTLER's great taste in women, but you've really outdone yourselves with Summer (*Summer: Snatch 'n' Sniff*, December 1999). Does Summer appear in adult movies like Taylor, Alisha and Asia? Also, do you know where I can write to any of these gorgeous women? I'd love to meet them, especially Summer. She's truly snatch 'n' snifferific! Keep up the good work, guys.

—S. H.
Brooklyn, New York

Thanks for the high five. For the record, the editorial staff is also peopled by talented and charming women (that fact keeps the guys from picking boogers in the hallways). Unfortunately, Summer has yet to appear on the blue screen, but perhaps reading your letter will encourage her. As for the pack of XXX brunettes you've mentioned, HUSTLER EROTIC VIDEO GUIDE *publishes a comprehensive list of fan mail addresses each and every month. Jeanna's Dear Slut column is flanked by three alternating poses; yet you hunger for more? Why not rent Cafe Flesh 2 or any of her other titillating blue-screen epics for a more fulfilling dose of Jeanna Fine?*

CONSUMER ALERT: When ordering merchandise through any mail-order supplier, minimize your risk of being disappointed by dealing only with mail-order merchants who accept credit-card payment and have a working phone number in their ads. Any offer that seems too good to be true is probably untrue.

Generation Sex

I've been reading HUSTLER for a little over a year now, and I've noticed that there's a misconception that the average HUSTLER reader is a dirty old man who can't get laid. If dirty old men read HUSTLER, that's cool, but I'm 22, and my girlfriend is 21, and we both love HUSTLER. She loves Jeanna Fine, and so do I. Not only is Jeanna *fine*, but she's very levelheaded and honest. Who else are you going to ask about whether female ejaculate is real or not, or if analingus is healthy? Your doctor? I don't think so. If more people could hear the advice Jeanna gives, the world would be a better place. My girlfriend and I can't stop fucking each other; so we don't have any problems in the sex department. If we have any problems in the future, it's nice to know that Jeanna will be there to help us out or blaze the trail for us with some new kink. Thanks, HUSTLER.

What the Fuck?

Jesus Christ! I just dragged my ass home after working a 12-hour overnight shift to find the Holiday Issue of HUSTLER in my mailbox. By the looks of the cover, I thought this would be another great issue, but I didn't bargain for what I found inside. The boy/girl spread featuring Linsay and Tristen (*Linsay and Tristen: Widow's Piece*, Holiday Issue 1999) is fucked up. Linsay is flat as a board, and when she pisses, she and Tristen are standing in the pee puddle! That's fucking disgusting; nobody wants to see that. There's a messy picture of the dude blowing his load, and, to top it off, there are more pictures of his dick than there are of her pussy! What the fuck? I thought HUSTLER was a magazine for men, not gay boys. I normally wouldn't bitch, but the penetration shots have hands in the way, or shoulders or ass cheeks blocking the view. That sucks, and

Bi for HUSTLER

I've been jacking off to the girls and guys in your magazine for 17 years now. I believe that HUSTLER is the best mag on the rack. Being a closet-case bi-guy, I crave the cock and ass of studs like Anthony in your November issue (*Cassandra and Anthony: Contract Labia*, November 1999). My girlfriend would freak if she found gay porn in the house. (She won't even let me fuck her ass!) All I've got is you, HUSTLER. Please consider adding a gay or bi men's pictorial to your magazine. It would mean a lot to me and other bisexual men who enjoy your publication. Thanks. —M. H.
via Internet

You'd better watch your step, Mister. There's a room in the basement where we keep all of the HUSTLER male models. Someone read your letter to them, and they are fucking pissed!

Limbaugh Limbo

Kudos for choosing Rush Limbaugh as HUSTLER's December '99 "Asshole of the Month." I am ashamed to admit that I was once a fan of that engorged Republican scatophage. I love how HUSTLER has the balls to take shots at anybody and everybody without regard to who might be offended. Hypocrisy is generally not your style; however, you accuse Rush of trashing Chelsea Clinton when he called her the "White House dog," but HUSTLER did the same thing in the November 1998 *Bits & Pieces*. Your send-up ("Teen Peephole," *Magazine Ad Parody*) depicted the First Daughter slapping peanut butter on her ass to attract the affection of a canine companion. This proves that you fuckups are just a bunch of hypocrites. HUSTLER should not play the Republican game of double standards. Print this letter if you really do have balls.
—C. L.

Unlike Rush Limbaugh, we at HUSTLER Magazine never claim to be champions of moral virtues.

HUSTLER LITE?

I work at an Army base in Bosnia. As you know, the Military Honor and Decency Act permits the sale of that geezer rag *Playboy*, but not HUSTLER or anything even remotely titillating. I'm not exactly sure, but I assume that the showing of sex acts, whether they be simulated or real, causes the prohibition of your fine publication. There is a gulf between *Playboy* and HUSTLER that needs to be bridged. *Playboy* models only show a hint of bush, whereas HUSTLER proudly displays open, pink pussies in all their glory. Nudity is nothing to be ashamed of; yet explicit HUSTLER pictorials are banned. Since most soldiers demand more than closed-legged *Playboy* fare, how about publishing an edited version of HUSTLER and calling it HUSTLER LITE? —T. D.
via Internet

Apparently, sex and violence go hand in hand, except in the Armed Forces. Is the Army still mixing saltpeter in your food? Since you have access to the Internet, how about subscribing to HUSTLER Online? You can have HUSTLER in all its pink glory at www.hustler.com. Or you could subscribe to America's Magazine and enjoy a hard copy, complete and uncensored.

Honor and Decency

I am a soldier in the United States Army and have been for more than 12 years. Presently, I am deployed in Kosovo in support of Operation Joint Guardian. As soldiers, we have to face the dangers of armed and disgruntled civilians, unexploded ordnance and many other threats while being deployed in a combat zone. Many of the items that are available to the outside world and taken for granted are not available to us. Nobody in today's Army was forced to enlist; we all raised our right hand and took the oath to serve our country of our own free will. My only complaint is the effect of the Draconian rule passed by Congress called the Military Honor and Decency Act. This act forbids the PX military post office from selling adult publications such as yours. With all the dangers and risks that we put up with on a daily basis, we are not deemed responsible enough to handle the subject matter printed in HUSTLER (unless a relative in the States is kind enough to mail us a copy). If we are old enough to die for our country, aren't we old enough to choose our own reading material? I will continue to proudly serve my country; however, I would greatly appreciate it if those policymakers in Washington, D.C., would regard soldiers, sailors, airmen and Marines with the respect of adults—equally capable of making our own choices with

Your point is well-articulated and sound, but there's not much HUSTLER can actually do about this recent turn of events. If as many enlisted men wrote letters to Congress as we've received here at HUSTLER, an about-face on the Military Honor and Decency Act would be assured. Since when was censorship honorable or decent?

Watcha Gonna Do?

Thank you for the wonderful cartoon depicting the NYC police marathon and the stunts those bastards pulled (November 1999 HUSTLER, page 61). I only wish you had included the Colorado pigs in the mix. The abusive cocksuckers in Boulder love to harass truck drivers just for the fuck of it, probably out of frustration because they can't figure out who killed JonBenet Ramsey *(duh!)*. North of Boulder, where I'm from, the pigs can't simply use one cop car to pull someone over on a Saturday night. The cocksuckers have to use three. It's quite a drain on our tax dollars, but the pigs don't seem to care. Cops are like dogs; they run in packs and gang up on anyone who speaks their mind. I wish our local pigs would stop shitting on the people they're supposed to protect and serve. —A. S.
Longmont, Colorado

Did the stinkin' pigs whack JonBenet Ramsey, or was it you?

Deny Everything

I loved the cool cartoon about the NYC police marathon. You could've titled it "The Atlanta Pig Parade." The sons of bitches around here haven't heard of the "protect and serve" credo; our swine prefer "search and destroy." I wish you'd tell your readers to never, ever talk to the pigs. I was stupid enough to believe that all I'd have to do is tell the truth; the truth will set you free, right? Wrong. I found out the hard way that the pigs will twist your words and change your meaning to suit whatever they want. Knowledge is power. Know that you have rights. If you are accused of a crime, *deny everything*, and talk to a lawyer as soon after as you can. O. J. may be a murderous shitbox, but I don't blame the jury for one minute. The D. A. had that lying sack of shit, Fuhrman, and they believed that Nazi scuzball. If the fucking pig would lie about a goddamn word, why wouldn't the fucker plant evidence? Thanks, HUSTLER, for always telling the truth. —A. S.

Dear SLUT

JEANNA FINE TELLS THE FUCKING TRUTH

This month in her regular column, porn legend Jeanna Fine responds to readers seeking erotic enlightenment. She invites you to drop her a line and join her on the fearless quest for the fucking truth.

CUM-FACIAL FRUSTRATION

I have been dating my girlfriend for two years. I love oral sex and watching adult movies. One of the things I love most about XXX flicks is that most scenes end with the man ejaculating on the woman's face. I find facials highly erotic, but I imagine that a lady would think this act to be disrespectful. Cum facials are a huge fantasy of mine, but I am scared that my girlfriend will think that I'm sick if I proposition her with such a crude idea. How do you recommend I broach the subject? Are cum facials something that women like? Does it turn them on?

—D. K.
via Internet

The desire for a faceful of splooge varies from woman to woman. You are right to ask politely, in a tender manner, before splooging on the face of the girl you love. You should realize that an external pop-shot in X-rated films is appropriately called "the money shot" because the viewer of adult fare can actually see the cum and know that the sex performed is real. A beautiful face with a pretty, red-painted mouth makes for a nicer visual than a cum-soaked bellybutton. Do you watch porn flicks with your girlfriend? I hope that she's watched at least one or two with you and that your porn-watching sessions aren't a secret that you're keeping from her. After two years of being together, you and your girlfriend should have the kind of relationship where you are open and honest with sexual matters and can talk freely about your likes and dislikes. Watch your favorite video with your girlfriend and see how she reacts when the dude pops on the girl's face. Then, in the same manner that you've just asked me, ask her what she thinks. Hopefully, she'll allow you to spray your load across her face because she loves you, and not because she wants to be degraded.

AIMS TO PLEASE

My girlfriend and I love you, Jeanna. You are so levelheaded and honest. We totally agree with the advice you give—not just about sex, but on love issues as well. We have a great sex life together, but, lately, we've encountered some frustration. My girlfriend loves facials, but I can't spray her mug the way she wants me to without creeping up two inches away from her face. Any further away, and my load won't reach the target. The amount I spew is fine, but the intensity of the flow is lacking. Is there anything I can do to increase the power of my load? —R. S. & J. D.
Santa Barbara, California

The first thing that springs to mind is having your girlfriend pop a finger inside your pooper to massage your prostate gland. I always say that a man's clit is in his ass, and nothing will increase the intensity of a man's orgasm like rubbing his butt peanut an instant before he blows. Perhaps you could join the couple who wrote the previous letter and have a booty-probing, cum-facial fourway!

TRASH TALKIN'

My boyfriend and I have a great sex life, but there's something I'm having a hard time talking to him about: the noises he makes. When we're warming up in bed, he's always talking an endless stream of "Oh, my sweet darling sugar pie, I love you so." Now, these are wonderful sentiments to hear over the dinner table, but I find them distracting when we're having sex. I feel like he's concentrating on what he's saying instead of on me—and he *never* talks dirty. Then, when he starts to really pump me, he goes silent. All I hear is the final grunt before he shoots. Recently, I took a second boyfriend, and, boy, is he noisy in the sack! He moans, growls, pants, gasps and whispers in my ear about how much he loves rubbing his hot dick in my tight pussy. I love every minute of it! I wish I could play you an audiotape, Jeanna—this boy's trash talk

Dear Slut

Sometimes I feel as if I have an eye in my cervix. I can see the cock poking my pussy, retreating, then barreling back in, closer and closer, until it sprays my insides.

could melt the phone-sex lines! He can make me come with his sexy voice alone! I realize that I'd much prefer to hear a sexy moan and panted "Oh, baby, baby" than listen to a florid recitation of my charms. How can I make my long-term man stop with the empty poetry and start with the dirty talking? —J. B.
Boston, Massachusetts

First, you must decide what you're looking for in a man: long-term love or hot, momentary sex. You need to examine what will be important to you 30 years from now. If you're looking for a man to share your life, take what you've learned from boyfriend number two, dump him, and stick with man number one. Tell him everything you've just told me, but spare him the little detail of your fling. If man number one reverts to his mushy-talkin' ways, tell him, "I love you too—I love the way your cock feels inside my tight, wet hole." Hopefully, he'll see the light and respond with the dirty talk you crave. If living in the moment seems to be the better choice, bid a fond farewell to man number one and keep talkin' that trash.

ANAL MOM

I've only just begun to enjoy the pleasures of anal sex with my husband. I love it, but I'm a little concerned. Is too much cum up my butt harmful in any way? Also, is it a bad idea to have anal sex while pregnant? —M. H.
Westland, Michigan

Doctors say that sex up until the eighth month of pregnancy is a good thing, but anal sex is a different matter. I imagine that most doctors would not green light such a practice because your body is changing during pregnancy. Please don't be afraid to talk to your obstetrician about what is right for you. Doctors tend to be conservative and err on the side of caution, but, considering your pregnant state, abstaining from anal sex might be a sacrifice you'll just have to make for a healthy baby. If your husband is your only sexual partner and you're having anal sex once or twice a week, the cum up your butt won't affect you any differently than if it were shot in your pussy. You certainly won't risk becoming pregnant again, no matter which hole is chosen. I've had plenty of anal sex in my long career, perhaps too much. As unglamorous as it may sound, I have certain problems now that hinder me from continuing full bore into the anal-sex void. The butthole is made up of very delicate tissue; it is primarily an exit. Whatever we experience anally must be done with care. Use forethought, foreplay and lots of lube. God bless you, your child and your cum-hungry asshole.

I LOVE PUSSY, BUT...

I love women, but I think I like them too much. Every time I jerk off, I imagine myself as the girl, even though I know that I am a man. I imagine that I'm wearing panties, a bra and lipstick while I'm being fucked really hard by a nice, huge cock. I want to be gang-banged. I love watching the girl spread her legs and take a stiff stuffing in the ass, but I still love pussy. I don't know what it is, but I want to dress up like a female and suck dick all night long. I want a man to fuck me really hard and come in my mouth while I moan like a female. What's wrong with me? Am I gay? —A. L.
Westchester, New York

No, you're not gay, and I don't think that there's anything wrong with you. I believe you suffer from what is called a fantasy. Fantasies don't always need to be explored in reality. Simply sit back and enjoy the view in your mind. I truly believe that I must've been a man in a previous life, because, sometimes, when I'm being fucked by a man, I envision that it is me who has the cock, and I'm doing the fucking. This feeling is especially strong when I'm on top, fucking my man. Sometimes I feel as if I have an eye in my cervix. I can see the cock poking my pussy, retreating, then barreling back in, closer and closer, until it sprays my insides. These are just fantasies. They are movies we play in our heads. They're stories that we tell ourselves while masturbating. Love it; live it in your mind; enjoy it; don't overanalyze it; slip on a pair of panties, smear on some cocksucker-red lipstick and jerk off to your heart's content. That's what a great, healthy fantasy is all about.

PHOTOGRAPHY BY CLIVE McLEAN

Eager to take advantage of her resort's swimming pool, beautiful but aquatically challenged vacationer Lisa approaches lifeguard Paul.

"Do you think you can teach me a few basic strokes?" Lisa queries.

"Most definitely," Paul affirms, sizing up Lisa's sleek curves.The lesson goes swimmingly; within minutes, the blond hydrophobe is taking strenuous laps like a seasoned pro.

"You're a quick learner," Paul grunts, pulling his steely rod from his pupil's lips. "I think we're ready for a dive in the deep end."

Lisa sighs as her instructor submerges his trunk between her nether lips. "When do you think I'll be able to go in the pool?"

Paul mounts Lisa's torso and delivers a blast of man slop to his pupil's inquiring yap. "You'll have to wait at least an hour now," the safety-minded instructor cautions. "In the meantime, let's go over mouth-to-cock resuscitation."

MY ANAL VALENTINE

I have the best boyfriend on the planet. Of course, I deserve the best. I'm an exotic beauty with a golden-brown complexion; my mom was Asian and my dad was half black. My body is trim and perfect, with nice, full titties and a remarkably plush backside. (I refer to my curvaceous ass as "my black side.") The soft, supple cheeks riding high above my shapely legs form a pleasing heart shape—a fact I never truly realized until this Valentine's Day. Oh, God, I'm becoming so aroused describing my nude body that I'm getting ahead of myself. First, let me start off by telling you a little bit about my boyfriend.

His name is Dwight, which sounds kind of gay—but he's not. In fact, he's the most heterosexual white male I've ever met in my life. Most guys like a finger in the butthole now and then, or at least like to hit my tan booty from the back. Not my Dwight! Dwight insists on the missionary position every time we bump uglies. He might sound uptight, but I'm not complaining; Dwight is so well-hung that the long, vertical strokes of his fat foot-long make my pussy scream. I mean that literally! One night, Dwight gave me the gift of 22 orgasms in the span of an hour. Afterward, he pulled out to shoot jizz all over my sweaty tits, and my cunt let out this bizarre, high-pitched squeal. I was a little embarrassed, but more concerned with sucking Dwight's spermy stick back to a rigid majesty.

Believe it or not, Dwight's massive wiener is not the main reason my girlfriends are so jealous (and constantly trying to bang him behind my back). My big-tooled boy toy also happens to be incredibly fucking wealthy. He's a computer engineer who works freelance as a corporate spy. Dwight keeps me happy with flowers, perfume and jewelry; for Valentine's Day, he went totally over the top and bought me the brand-new BMW I just happened to mention during sex. I knew I had to give him something equally valuable in return, but what do you give to the man who has everything (including nearly 12 inches of cock)?

The idea came to me in a flash—literally. I stepped out of the shower and was toweling off when I caught a glimpse of my beautiful bottom in the mirror. Perhaps my gift to Dwight could be a box of chocolates. If that sounds kind of cheap compared to a luxury car, consider the fact that this box also contains a cherry. That's right—I've never been fucked in the ass before, and I decided to let Dwight enjoy the inaugural plunge! My only concern was his admittedly vanilla proclivities; would he travel my old dirt road for a taste of fudge? Presentation was the key. Instead of throwing on a typically provocative outfit, I remained nude and dug through a drawer of wrapping paper and bows left over from Christmas.

"Hey, babe," Dwight chirped on his way in the door. "I'm *ho*—holy shit!" He dropped his briefcase, along with his jaw; hopefully, his pants would be the next to fall. After all, I had gone to the trouble of bending over the couch with a pretty, red bow around my ass. My hands reached back and parted the pillowy twin hams I prayed for him to penetrate. There, nestled upon the crinkled folds of my rectum, was a single bonbon. Never before had the term Hershey Highway been brought to life in such a delectable manner.

My First Time 13

FULLY ERECT

Directed by Pierre Woodman; starring Bettina, Adele, Monique Covet, Simone, Blondie, Eniko, Inga, Ines, Mona Lisa, Sarah, Karina, Barby, Yelena Sheiller, Leslie Taylor, Alain Deloin, J. Slater, F. Versace, Philippe Soine, Armateur, Jonathan Morgan, J. Y. LeCastel, Nick L., David, Philippe Dean and Richard Langin. Videocassette: Private/Odyssey Group Video.

"No, no, it's disgusting!" cried Bettina when porn director Pierre Woodman first fed the beautiful, black virgin his load. In *My First Time 13*, the gorgeous Dutch blacktress watches her debut from the perspective of a dozen or so XXX features and laughs at her former self. European porn emporium Private has documented innumerable firsts through the course of its existence, and many more deflowerings are shown here. Adele, a very young and stunning brunette, nearly walks out of the studio when she's shown pictures of what she's expected to do in front of the camera. Cut to Adele bucking her hips atop one lucky stud while slurping the spew of another. The transformation from virgin to whore is left on the cutting-room floor, but the before-and-after comparison is fascinating nonetheless. Giddy and shy, Inga and Ines blush when asked if they've ever seen sperm. Soon they're drinking bucketfuls and demanding seconds. After watching *My First Time 13*, the viewer will be lusting for more as well.

Hey there, Little Lady

Half-Pint Harlot Bridgette Powerz Makes It Big

And now, a short piece about a short piece. Meet recent jizz-biz entrant Bridgette Powerz, who, despite her diminutive stature of 3-10, just might be a future giant of the porn industry.

Following in the tiny footsteps of wee porn slut Gidget the Midget (though, for the record, Powerz is a dwarf who prefers the term "little person"), the raven-haired, pint-size poon made her debut earlier this year in the campy horror-porn vid *The Brides of Countess Recula*. Even through the pools of fake blood and schlocky trappings, Powerz's ravenous appetite for schlong was apparent. Since her gory maiden performance, Powerz has expanded her blue-screen repertoire, starring in such action-adventure fuck flicks as *Mighty Midget* and *Midget PI* for specialty-porn company Filmco. While this may place the little lady in the novelty-nookie category, Powerz has yet to encounter objectionable levels of exploitation in her blue-screen career. "It all depends on how they're trying to portray me," Powerz offers. "If it was something that bothered me, I wouldn't do it. Everything I've done I've been okay with so far."

Alas, such wasn't always the case. Unlike some porn sluts who vainly hope to cross over into the mainstream, Powerz comes to the blue screen following a string of legit showbiz gigs. "I've been an entertainer since I was in diapers [presumably as a child]," Powerz notes. "I kind of got sick of the roles that they were giving me—I got tired of playing an egg or a leprechaun or an elf or something."

Powerz's decision to counter such typecasting by fucking for the camera may seem odd, but the way she sees it, the career switch to miniature slop target has bigger implications. "I can show people that, yeah, little people *do* have sex, and we *are* pretty, and we *are* real."

An official spokeswoman for midget sexuality? That's a pretty lofty goal, but if Powerz stays on her toes, she just might reach it.

Powerz delivers a low blow in Brides of Countess Recula (below).

African Heat

HALF ERECT

Directed by Stewart Canterbury; starring Stacy Valentine, Sydnee Steele, Meena, Diane, Crystal Taylor, Julia, Justin Time, Michael J. Cox, Chase Stevens and Prince. Videocassette: VCA Platinum Plus.

Shot in Zululand, South Africa, *African Heat*'s lush scenery, jungle waterfalls and foursomes by the fire conjure images of a *National Geographic* layout sprung to life. Apartheid ass thrusts and bounces in loving interracial solidarity. A white couple copulates next to a native couple, separate but equal beside the roaring fire. Prince, a George Foreman lookalike, pounds Nubian nookie with his engorged man root. The festive rutting is unfortunately broadsided by a movie-of-the-week plot involving raw diamonds. Blond ex-cheerleader Stacy Valentine is the star of the intrigue. The plastic Bo Derek clone pumps megadicked humper Chase Stevens for information in his tent, manipulating his family jewels. All she manages to coax out of Chase is a load of jizz in the palm of her hand—Valentine is apparently the type who hates to be dirtied up. Her fake tits and orgasms clash garishly with the breathtaking jungle tableau. If there's a sequel to *African Heat*, let's hope the producers keep the animalistic urges real. —*D. P.*

Channel X

ONE-QUARTER ERECT

Directed by the Dirty Duo; starring Sydnee Steele, T. J. Hart, Claudia D'Corazon, Alicia, Mia Smiles, Inari Vachs, Chris Cannon, Eric G., Dirty Dave, Brian Surewood and Bobby Vitale. Videocassette: Vivid Raw.

A gonzo spoof of network TV, *Channel X* appears to have been more fun to make than watch. A painfully bad cooking-show sequence segues into *DICKS*, a *COPS* parody. A uniformed dick turns to a hand-held camera and confides, "We provide a service—a dick service. We aim to please." Just like a bad episode of *Saturday Night Live*, what may seem funny in theory becomes excruciating in reality. An eternity elapses before there's any XXX on *Channel X*. When it arrives, one is subjected to the wacky antics of *Dirty Dave's Porno Palace*. This X-rated cable-access talk show features beak-schnozzed blonde T. J. Hart blowing her partner Guido (as portrayed by Bobby Vitale). Community-college video effects run wild. Hart guides Vitale's dick between her gash flaps and pumps. The camera zooms erratically while Vitale pumps Hart doggy-style up the pooper. After frosting Hart's fucked-raw sphincters, Vitale slaps his schwanz on the camera lens; sound effects bellow *boing!* Does the world really need an X-rated *Kentucky Fried Movie*? Not really, but *Channel X* is it anyway. —*D. P.*

Sex Offenders 7

THREE-QUARTERS ERECT

Directed by Steve Drake; starring Kelsey Heart, Petra, Daisy Chain, Linda Thoren, Shasta, McKayla, Aspen Brock, Chris Cannon, Mark Anthony, Nick East, Lexington Steele, Mr. Marcus and Steve Drake. Videocassette: Wicked Pictures.

Interracial couplings, anal pumpings, voyeurism, lesbianism and double penetrations are among the allegedly wicked crimes committed in *Sex Offenders 7*. The debauchery kicks off when director Steve Drake picks up Aspen Brock. Brock is stranded on the side of the road; so Steve offers the auburn-haired beauty a lift on the back of his motorcycle. The two venture to a hotel and rip each other's clothes off. Drake flips the petite slut over so he can feast on her swollen pussy and succulent asshole. In return, the moaning tart swallows Steve's rod. Thumbing Brock's soaking snatch, Drake pumps his new lady friend's dirt chute, rocking her body back and forth to match his thrusts. Other vignettes follow a similar course: Swedish Christina Applegate lookalike Linda Thoren demonstrates how cock is consumed in her homeland. Kelsey Heart inserts Mr. Marcus's meat into her dripping booty. *Sex Offenders 7* isn't the subversive effort that its title implies, but satisfies nonetheless. —*D. P.*

AFRICAN HEAT: Valentine pants for prick.

CHANNEL X: Smiles gets cheeky with Vachs.

SEX OFFENDERS 7: Drake poses stiffly with Brock.

Nikky Andersson Story

HALF ERECT

Directed by Pierre Woodman, Christophe Clark and Frank Thring; starring Nikky Andersson, Gina, Jeannette, Wanda, Yves Baillat, Alain Deloin, Philippe Dean, Philippe Soine, Richard Langin, Christophe Clark, Robert Rosenberg and John Walton. Videocassette: Private/Odyssey Group Video.

The makers of *Nikky Andersson Story* declare their ownership of the video's title cunt by christening her "a Private girl" in the opening credits. Given the lascivious acts that the blond, Nordic-looking Hungarian nymph performs for the camera, that appellation is somewhat ironic. Cocksucking? Her full, pouty lips were made for such a task. Anal sex? Butt of course—Andersson rears her magnificently sculpted glutes for penile invasion no fewer than five times. Double penetrations? Early, often and deliciously sloppy. Andersson's shameless duck-to-water carnality is admirable, but there's a more troubling form of shamelessness at play in *Nikky Andersson Story*. When not occupied with the task of devouring choad, Andersson's mouth ceaselessly extols the Private line of product. It's an admittedly worthy cause, but the hard sell softens one's schlong like an overeager used-car salesman. There's only one type of plugging that a fuck flick should concern itself with; less shilling and more drilling would've given this *Story* a happier ending.

Seven Deadly Sins

HALF ERECT

Directed Robyn Dyer; starring Janine, Julia Ann, Azlea Antistia, Candy Hill, Shelby Myne, Alexandra Silk, Heaven Leigh, Jewel Valmont, Dee, Lola, Regan Starr, Lilli Louise, Sharon Kane, Dominique Dewitt, Veronica, Rhiannon, Devin Wolf, Kyle Stone, Steve Taylor, Ian Daniels, James Bonn, Frank Towers, Johnny Peters, Michael J. Cox, Sergio, Paul, Eric Star and John Lee. Videocassette: Vivid.

For years, right-minded jerkoffs have wanted Janine to go fuck herself; in *Seven Deadly Sins*, the steadfast refuser of all things penile grants them that wish. At a porn convention, Janine is accosted by her biggest fan (played, most appropriately, by herself). Rebuffed by her haughty idol, the slighted obsessive returns home, where a dream sequence ensues. Through sleight of camera and cunt double Julia Ann, Janine plants kisses on her own mug and buries her face in her own snatch—while a television plays clips, from another Janine fuck flick, no less. In preaching about the "sin" of envy, director Robyn Dyer unwittingly captures the essence of Janine's too-good-for-wood narcissism. Even those who've come to accept Janine's hands-off approach to schlong will shudder at the flick's brazen display of vaginal megalomania. In pandering to cock-shunning, flim-flam floozies, *Seven Deadly Sins* transgresses the first commandment of pornography. *—S. A.*

NIKKI ANDERSSON STORY: Former crane operator Andersson shows her stuff.

SEVEN DEADLY SINS: Veronica, Lola and Dee surround schlong.

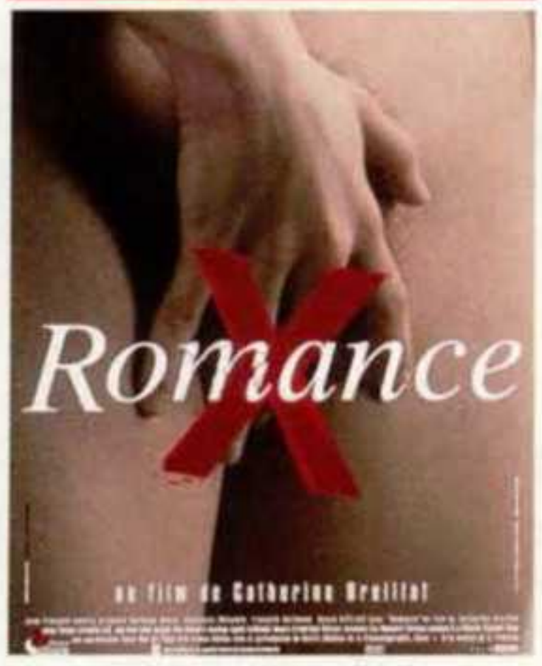
The Art of Fucking

Romance Brings Big-Screen Kink to a Theater Near You

It's been decades since the birth of the VCR signaled the death of that sleazy neighborhood staple, the porn theater, leaving fans of wide-screen sleaze and communal onanism in the lurch. The much-ballyhooed *Eyes Wide Shut* promised to bring full-frontal fornication back to Panavision, but turned out to be a sexless dud. Strokers who prefer 50-foot slits and Cinerama cocks have settled for sitting too close to the television while fast-forwarding through *Buttman* tapes.

Rocco Siffredi, the Italian porn stud familiar from many of those anal-minded video epics, has helped to end the raincoat brigade's drought by starring in the theatrically released, artfully raunchy *Romance*. Director Catherine Breillat is French, which guarantees subtitles, pointless symbolism and endless pontification from a chick with small tits. *Romance*, however, is ultimately more reminiscent of the grind house than the art house. Caroline Ducey, the aforementioned tiny-topped frogette, spends much of *Romance*'s 93 minutes sucking and fucking her costars. In hard-core, full-penetration close-ups, she blows her limp boyfriend ("Cocksucking's not my specialty," she admits between mouthfuls); services Gallic phalli through a waist-level glory hole; submits to vaginal exploration by an endless procession of gynecologists; accepts the pussy-eating invitation of a stranger, who anally rapes her; and endures brutal bondage scenarios at the hands of a fat, old sadist. The painfully realistic scenes of sadomasochism, wherein ropes cleave Ducey's hairy pussy just before her master jams in a few chubby fingers, are actually more explicit than the laws governing conventional porn allow—*Romance*, you see, is art.

Art lovers should hurry to the local art-movie theater—and bring Kleenex. As for Rocco, respectability hasn't changed his style. Before plowing Ducey's furry croissant from behind, the dong-wielding dago tries to fuck her in the ass. Ducey, unfortunately, declines, but Siffredi deserves a Palme d'Or for effort.



Hard-core art flick Romance *makes the French almost bearable.*

Hot House Tales

HALF ERECT

Directed by Adrian Gill; starring Houston, Claudia Chase, Tina Cheri, Kianna Bradley, Temptress, Melody Love, Johnni Black, Ron Jeremy, Mark Davis, Jake Steed, Pat Myne, Ian Daniels, Tice Bune and Todd Alexander. Videocassette: Metro/Cal Vista.

How does a gang-bang queen top herself when she's already served as a communal slop bucket for the unwashed masses? The answer, going by statuesque blonde Houston's appearance in *Hot House Tales*, is to befoul oneself even further. The horror ensues as chef Jake Steed pulls a fresh batch of canapes from the oven. Houston strikes a food-for-twat deal that lands her tits-down in a creamy cake, slathering herself with gooey confection as Steed routs her crap hatch. With custard smeared across her twat like a yeasty discharge and chocolate clumps clinging to her fake milk bags like rat turds, the garish, frog-mouthed trollop makes an effective argument for celibacy and fasting alike. Pursuant scenes—in particular, a brief but torrid 69 between Tina Cheri and Kianna Bradley—nearly wash the rancid aftertaste from the viewer's penile palate, but the preceding culinary atrocity lingers like a bad dream, making *Hot House Tales* a cold offering. —*S. A.*

Whack Attack 5

THREE-QUARTERS ERECT

Directed by Tom Byron; starring Alexandra Nice, Alana, Stryc-9, Malitia, Natasha, Jewel Valmont, Phyllisha Anne, Monique, Cherry Lee, Ashlyn Gere, Luciano, Tom Byron and Lexington Steele. Videocassette: Extreme Associates.

Whack Attack 5 is subtitled *Butthole Buffet*. To regular connoisseurs of Extreme Associates fare—in which all roads inevitably lead to the lower intestine—the clarification may seem unnecessary. Even so, this effort explores the mystery of the sphincs with particular zest. Cursory vaginal penetrations are disregarded as the camera lens zeros in on soon-to-be plundered dungholes like a sniper's rifle scope. No crap hatch is abandoned until the wind whistles a victory cry through its chasmic depths. Her shiny, pink asterisk winking at the camera like a lecherous old man, Stryc-9 spreads her full, alabaster heinie and drops onto Tom Byron's turgid sir-loin. She bucks furiously as Byron's blood sword corkscrews her crapper into a raw, dilated maw. Not to be outdone, Jewel Valmont and Phyllisha Anne sacrifice their lily-white shit pillows to Lexington Steele's preternatural endowment. One can almost hear the squeak as Steele's swarthy adder vacuum-seals the kittenish Valmont's ass chamber. *Whack Attack 5* reaches new levels of anality. —*S. A.*

Euro Babes 4

HALF ERECT

Directed by uncredited; starring Katja Love, Monika, Paola, Stephany, Yuliya, Carina Wells, Nikki Stone, Sophie, Ildiko, Niki Blond, Laura Red, Katy S., Katy R., Dorothy, Deborah Valentine, Paola, Princz Romero, Jess, Carlos, Richard and Robert. Videocassette: Metro.

A giddy American director sweeps a heap of Eurotrash into a pile and videotapes the resulting fornication in *Euro Babes 4*. Ildiko is a petite beauty with jet-black bangs. The sultry 20-year-old sits on a patio surrounded by three Continental cocks. Sporting a horse-riding outfit, she twirls a riding crop between her fingers. "Do you wanna fuck?" the director asks Ildiko. Coyly nodding yes, Ildiko springs into action, wasting no time undressing scenemates Jess, Richard and Robert. Suddenly, anticipation turns to disgust. Jess's foreskin fuses to his glans like moss growing on a rock. Richard's mushroom cap is scarred with pimple craters. Robert has white spots like a painted pony. Why didn't the director yell "cut" and call a rabbi? This flick is an argument for circumcision if ever there was one. Thankfully, the bulk of *Euro Babes 4* features gorgeous European ladies who offset the mangled meat of their countrymen, but just barely. —*D. P.*

HOT HOUSE TALES: Bune and Alexander spread Love.

WHACK ATTACK 5: Monique's shit-eating grin.

Mis-Spelled

ONE-QUARTER ERECT

Directed by Wesley Emerson; starring Kylie Ireland, Chloe, Elizabeth X, Tina Tyler, Alexandra Silk, Julian, Kyle Stone, Todd Alexander, Chris Cannon and Eric Bishop. Videocassette: VCA Platinum Plus.

Capitalizing on the recent proliferation of occult-themed entertainment (e.g., *Sabrina*, *The Craft* and *Charmed*), *Mis-Spelled* casts Chloe, Kylie Ireland and Tina Tyler as a trio of witches whose mischievous abuse of supernatural power leads to comedo-carnal high jinks. Sadly, the bungling Wiccans only occasionally conjure erections in viewer laps. Apparently, Ireland's chief magical skill is the ability to expand to heiferlike proportions; the formerly svelte redhead appears to have recently taken up a diet of unadulterated lard. Her abundant girth rolls in mesmerizing waves as a strap-on-wielding Chloe pounds her dirt chute with butch abandon, almost comforting the viewer during what is an otherwise unsettling scene. While appropriately goth, Tyler's pasty-pale complexion and puffy, bag-bloated eyes do little to enchant as she seethes through Julian's veiny assault on her lube-slathered conch. Chest flushed and eyes glazed, Chloe provides a rare moment of viewer gratification as Chris Cannon brings her to a grand mal orgasm. Otherwise, *Mis-Spelled* is misguided. —*S.A.*

EURO BABES 4: Cannibalism is a more accepted practice overseas. Two blondes eat their own.

MIS-SPELLED: Cannon prepares to cast a spill on Chloe's back.

Hardcore Championship Fucking

HALF ERECT

Directed by Slammy; starring Zöe, Jenny Lee McKenzie, Teah, Jewel Valmont, Randi Storm, Temptress, Malitia, Van Damage, Brandon Iron, Tom Chapman, Sean Rider, Dave Hardman and John Strong. Videocassette: Cream Entertainment Group.

Parallels between professional wrestling and pornography abound. Most critically, both wrestling and pornography are laughably contrived in their attempts to convey spontaneity. *Hardcore Championship Fucking* brings this similarity into crystal-clear focus, staging carnal matches between the ropes. The results are, predictably, goofier than a retard on laughing gas, but there are a few onanistic highlights. Disregard melon-racked caricature Jenny Lee McKenzie, whose rock-hard silicone sacks jut from her chest like veiny basketballs, and ghoulish Savannah lookalike Zöe's halfhearted hummer. Redemption arrives in the form of the Brooke Shields-ish Temptress, who applies a two-handed death grip to a faux schlong and gores the nether regions of blond hellion Malitia. Belying her classic pinup-girl countenance, comely blonde Jewel Valmont offers her sphincters to the tag-team drilling of Dave Hardman and Brandon Iron. During moments like these, the uneven *Hardcore Championship Fucking* puts a firm choke hold on viewers' crotches. —*S. A.*

Tramps: In New Orleans

HALF ERECT

Directed by Luc Wylder and Alexandra Silk; starring Alexandra Silk, Doomy Moore, Shasta, T. J. Hart, Lisa Belle, Luc Wylder, Tony, and Justin Time. Videocassette: Fallen Angel Entertainment.

Tramps: In New Orleans features the sleazy antics of Luc Wylder and Alexandra Silk as they pick up hitchhikers on their way to the Big Easy. Silk cozies up to pickups Shasta and Tony and blurts, "I'm in porno; have you ever heard of me? I'm Alexandra Silk." "Sure, I've heard of you!" Tony enthuses. In a flash, the car trip becomes a roving orgy. "Do you wanna be in our movie?" Silk asks her guests. "Uh, I guess so," respond the hitchhikers. The ever-eager Silk feasts on Tony's thick torpedo before passing the engorged blood horn on to bottle-blond girlfriend Shasta. The platinum tramp pulls rank and hops onto her boyfriend's pole. Silk attacks Shasta's nipples, coaxing groans and grunts from the hitchhiker's moaning maw. Night falls, and Mardi Gras 1999 takes off. Silk, T. J. Hart and Doomy Moore walk Bourbon Street, flashing tits for Mardi Gras beads. Hart yanks a muscle stud out of a bar and inhales his meat in an alley while the festivities howl in the background. Wylder, Silk and crew have a drunken good time in *Tramps: In New Orleans*, but their revelry is only slightly more strokeworthy than any home movie. Guess you just had to be there. —*D. P.*

Hot Letters

To ensure a clear understanding of my slutty intentions, I placed a family-size tube of K-Y Jelly on the coffee table...and used chocolate syrup to write FUCK MY ASS on my haunches.

Despite the tasty treat I had prepared for my Valentine, I felt the need for a slightly less subtle suggestion. Dwight is a little naive when it comes to kink; the one time I mentioned golden showers, he thought I meant the Chinese restaurant down the block. In order to ensure a clear understanding of my slutty intentions, I placed a family-size tube of K-Y Jelly on the coffee table...and used chocolate syrup to write the phrase FUCK MY ASS on my haunches.

"Whoa, whoa!" huffed Dwight, forming his hands into a time-out signal. "It's really sweet of you to go through all this trouble, but you know I just like good...old-fashioned...*uhhh*...." I'm sure Dwight had some lame protestation in mind, but the words seemed to escape him. I think the way I removed my well-placed bonbon, licked the candy shell and slid my pinkie into my bunghole may have caused the temporary amnesia. Before Dwight forgot anything else—like how to deliver clawing, screeching orgasms—I took matters into my own stink-fingered hands.

"My little butthole is so tight and sweet," I cooed, sucking the dirty pinkie and employing my free fingers to diddle my twat. "See for yourself, Dwight. Take a bite from my box of chocolates...just a little nibble. If you don't like what's on the inside, you can always put it back." Seized by the holiday spirit, Dwight bit the butt bait—hard. He fell to his knees and buried his face in my rump. I shivered as his probing tongue snaked past my shit gate and swabbed the delicate lining. My hand somehow found the discipline to leave my clit alone and unzip Dwight's fly.

What lurked within Dwight's boxers was downright frightening. His johnson was always quick to action, but the length and girth he attained within seconds intimidated me. Had I bitten off more than my sphincters could chew? I did a little mental calculation. Dwight's dong generally grows an additional inch or two from the point of initial arousal. This bone was already the biggest and hardest my man had ever popped. If more pipe followed, I might not be able to accommodate the results. *Hmm*...I remembered a high school biology class where we learned the length of the human colon...seems like it was at least two feet....

"*Yahhhh!*" I screamed, my shitty mathematics interrupted by the intrusion of a fat, purple tip within my virgin orifice. Dwight didn't even tell me he was about to enter! He's usually so considerate. Had I created an anal monster?

The answer, judging by the way he spanked my chocolate-dripping ass and moaned, was *yes!* Dwight grabbed my hips so roughly, there was no chance of escape. Begging him to slow down was pointless; I did manage to convince him to slather on the lube, but I hardly felt the difference. The pain of accepting my first monster cock up the crapper was excruciating.

"*Guhh-huhh-hurrrgh*," I choked. Exhaling upon each thrust seemed to help. Then I realized that barely an inch had been buried! My back door was so tightly locked that Dwight was forced to play the part of battering ram. He slammed and withdrew, slammed and withdrew, absolutely determined to break inside me.

"Dammit, babe," he gasped, changing his position to an overhead approach. "You're going to have to relax and loosen your muscles. Breathe more deeply and concentrate on playing with your pussy." For a moment, I thought those instructions sounded pretty specific for a guy who claimed to have never banged a butt. Any slight suspicions disappeared behind the fire wall of pain...which turned into a wave of deep pleasure.

The further Dwight bored into my hole, the more tremors of ecstasy I felt in my sopping cooch. When he withdrew to deliver a deep stroke, the catch of his oversized head on my opening created an awful burning. Seconds later, his wood slid home, sending the first tingle of orgasm to my oh-so-ready snatch. I gouged my fingers between the flapping labes and used my own wetness to stimulate my clitty. Dwight's swinging balls did a nice job of slapping against my slit while I tweaked my love button.

I grunted, "Do you like it? Do you like fucking my asshole?" There was no answer from Dwight, other than harder, more pointed pokes. He was playing with the opening, pricking the puckered trap open and shut again. The head didn't hurt as much; I actually enjoyed the airy, open sensation of winking at the unrelenting meat hammer. I struggled not to release a similar sound to the squeak that once escaped my pussy—and ordered Dwight to go deep while I exploded in climax.

"Fuck," I cried. "I can feel you pressing against the back of my cunt! It's making me...." I heard a squishing sound and nearly passed out. Everything went brown for a few seconds; my eyes still couldn't focus as Dwight aimed his nozzle toward my face.

He declared, "Get ready to swallow every goddamned drop!" I still couldn't

"Yes," she erupted. "I love that devil cock! Christ, I need a real dick. Take those pants off and fuck me before I fucking explode!"

see too well, but I opened my mouth wide. The testicular gravy shot straight to the back of my throat before burbling over my tongue and chin. Dwight forced his joint between my lips and squirted a few last times directly down my throat.

Although he was a little freaked out by the mess afterward, my boyfriend sure enjoyed his present. How can I top myself next year? Maybe with a big box of those heart-shaped candies bearing cute messages...shoved up my butt. Come to think of it, why wait for Valentine's Day?

WADS AND MONSTERS

People often ask me why I went into creating makeup effects for low-budget horror movies—particularly chicks, who can't understand why such a good-looking guy chose such a geeky profession. I give everyone the same speech about being influenced by Jimmy Cagney in *Man of a Thousand Faces*. That sounds moderately more distinguished than the truth.

In reality, I always wanted to invent the perfect artificial vagina. I was a shy kid and didn't understand why social interaction had to be a part of landing poon. After all, it's just a hole. If a duplicate hole is the only opening available, who cares? With this progressive philosophy, I bought my first hunk of latex and convinced my sister to provide the first pussy cast. My, how far I've come—and come, and come—since then. (Although I do have sis's crude effort stashed away somewhere.)

These days, I work with a gelatin-based substance of my own creation. The stuff actually feels like human flesh! I was displaying my latest pieces to Clarisse, an independent filmmaker, when she decided my work was a little too close to the real thing.

"This," she spat, "feels like an actual human finger. And look at the detail on this dismembered arm! How could you possibly fake such a thing?" Clarisse was disgusted, but her stiff nipples revealed another reaction beneath her cut-off jeans. What a sick bitch—turned on by guts and gore! I guess that's why she ended up directing slasher flicks. In order to prevent the shapely brunette from storming out of my studio, I revealed my finest creation.

"I call this one the Vaginator," I announced. "I think you'll agree that this penile-modification device could only have sprung from my imagination." The Vaginator is a foot-and-a-half-long strap-on, with an additional, smaller shaft beneath the main prick. This allows for simultaneous vaginal and anal stimulation. Horns adorn the Vaginator's every inch for a devilish appearance; weird handles sprout from the base for power prick steering. Clarisse looked like she couldn't process the bizarre visual before her eyes; I wondered aloud if she'd have equal difficulty taking the Vaginator into another part of her body.

"W-well," she stammered, attempting to remain cool. "I suppose it's better than reading your boring résumé." She pulled down her shorts, exposing a baby-smooth quim. The lips were thin and polite. Clarisse rubbed the Vaginator's head against her cunny and settled on squatting above the bumpy pole. I angrily snatched away my pride and joy; the horny tramp looked at me like my sister did when I used to steal her favorite dolls for experiments.

"No one drives the Vaginator," I explained, fastening the straps around my pants, "but me." Fear played across Clarisse's sexy face—which, inevitably, made her hotter than ever. She spread herself upon the floor, closed her eyes and awaited my entry.

I don't think Clarisse was truly prepared for my initial thrust; she let loose a howl familiar to anyone who ever stuck a firecracker in a cat's ass. Her clean-shaven pussy was growing wetter by the second, allowing more and more plastic within her womb. I grabbed the handles and steered for Clarisse's G spot.

"Yes," she erupted. "I love that devil cock! Christ, I need a real dick. Take those pants off and fuck me before I fucking explode!" I carefully removed the Vaginator from her sleeve and set the glistening strap-on aside. My pants were off in a flash, and my jimmy was already standing at attention. Clarisse gazed upon my manhood with a slight air of disappointment. Hey, it's tough to compete with 16 inches! I really didn't care; I was about to wreck her sweet slice.

My shank slid in effortlessly. Clarisse was hot and buttery inside; her juice drooled onto my balls, reminding me to add a sloppier lubrication valve to my next pocket pal. I have to admit—no fake cunt could ever top the sensation of a real, twitching, crying pussy beneath my pile-driving form. I was so enthralled by Clarisse's sticky snizz that my surefire strokes turned into jerks and spasms.

"Damn, you're one good-pussy bitch," I babbled. I cupped her ass and pulled her closer, allowing my ramrod to hit her

Restrictive attitudes in the name of so-called morality increasingly take the fun out of fucking. Through good, old-fashioned homespun knowledge, hearsay, scientific facts and outright lies, this series strives to spread the word that rubbing uglies is a beautiful experience.

The Fe-jaculation Debate

GIRL SQUIRTERS—CUM OR PEE?

BY FAUSTINO SOARES * ILLUSTRATION BY VAN ARNO

Three months into her college career, Alyssa is having a blast. The perky brunette is so pretty that two frat boys brawled over the right to hit on her at a keg party. Alyssa fucked them both; but now that she's met lesbian-for-life Mona, staring at the ceiling and getting pumped by a sloppy drunk is a distant memory.

Mona rules the roost at the womanist house on Alyssa's ultraliberal East Coast campus; Mona also gives Alyssa the best tongue-jobs the first-time dyke has ever had.

After a potluck held in honor of Susan B. Anthony, Mona leads Alyssa to her room and pries apart the underclasswoman's beef flaps with expert fingers. Alyssa strips off her jeans and backflops onto a futon. Mona produces a large, blue jelly dildo.

"I'm usually opposed to penetration," Mona says, "but this rod doesn't have balls."

Mona teases the dildo up and down Alyssa's labia until the teen's pussy drools girl juice, then buries the jelly dong in Alyssa's cunt. Mona combines thrusting with the slavish adoration of her tongue on her fuckmate's clit. Alyssa feels an orgasm swelling from her crotch; she pumps harder on the disembodied prong, then stops her gyrations cold.

"Stop—please, stop," Alyssa pleads. "I have to pee."

Mona withdraws the rubbery prong from Alyssa's snatch; jets of briny fluid follow and sop Mona's face. Initially startled, Mona opens her mouth to catch the spurts of spray on her tongue.

Fearing she has lost control of her bladder and burning with shame, Alyssa clamps her legs shut.

"I'm so embarrassed," Alyssa says. "I pissed all over your face."

"Not piss, sweetheart; that was cum. You're a squirter."

Alyssa is unhinged by the ordeal, but Mona couldn't be more pleased with her freshman fantasy.

Writing from the depths of antiquity, Aristotle described women who forcefully expelled fluid from their vaginas; thousands of years later, the phenomenon of female ejaculation is still being pooh-poohed, debated and, on notable occasions, subjected to scientific scrutiny.

By the 1920s, the mainstream medical establishment had concluded that women who squirted when they climaxed suffered from urinary stress incontinence, the medical term for a leaky bladder.

Fifty years later, Masters and Johnson, experts in the study of sex who encountered women who lost bladder control during intercourse, dismissed female ejaculation as an "erroneous but widespread concept."

In 1981, an article by the title of "Just How the Sexes Differ" appeared in *Newsweek*, emphasizing that while men ejaculate, women do not.

On the other end of the ideological spectrum, urologist Bernard Hymel, M.D., gained notoriety in medical circles for refusing to operate on women whose pussies sprang a leak when poked by a trouser torpedo, because the women were, in his opinion, coming.

"Female ejaculation is one of those areas that we still don't know a lot about," says Dr. Sandor Gardos, a clinical psychologist and sex therapist. Researcher Dr. Carolyn Gerdes notes that "many women who become sexually aroused feel as if they are going to lose control of their bladders and

"[My husband] was convinced that I was pissing on him on purpose, just to make him feel worthless. He was so upset that he actually pissed on me to get even."

therefore hold back during sexual activity in order to avoid any accidents."

Controversy over whether or not women ejaculate has resulted in more than mere embarrassments; marriages have broken up when the wife was thought to be a bed wetter or, worse, an unrepentant piss freak. Doctors have gone so far as to perform bladder surgery in order to shore up "faulty plumbing" in a woman who may simply have been experiencing bodacious orgasms. If chicks are indeed capable of coming in arcing jets of splooge the way men do, the truth must be known.

Leslie, a New York City psychiatrist, visited a marriage counselor to appease her husband, who was humiliated by her tendency to tinkle during sex.

"I could only come if I was on top, but that also made me squirt," Leslie says. "It was a problem because [my husband] was convinced that I was pissing on him on purpose, just to make him feel worthless."

Leslie's therapist felt confident that the offending snatch secretions were not urine and explained that some women are capable of propelling pussy juice when they climax. Leslie's husband was not convinced.

"I came and just gushed all over him one night," Leslie says. "He was so upset that he actually pissed on me to get even." The couple has since filed for divorce.

While confusion about ejaculation has ruined some relationships, a cunt subject to flash floods has jolted other couples' sex lives into the stratosphere.

Harvey is a 62-year-old widower who found the woman of his dreams in Mary, a 55-year-old grandmother who squirts. Harvey always fantasized about drinking twat nectar, but, in previous relationships, Mary was never sure if her overflowing honeypot was a blessing or a curse.

"Everything I read about the subject said that it didn't really happen; so I started to avoid orgasms altogether," says Mary. "I felt like a freak for years, right up until I met Harvey."

"We have sex for hours, and when she comes, she soaks the sheets," Harvey says. "It's definitely not urine."

Confounding the distinction between female ejaculate and urine is the fact that both fluids flow from the urethra. Deepening the controversy, female ejaculate subjected to various laboratory analyses has yielded conflicting results.

According to Dr. Gerdes, chemical analysis of girl syrup collected after ejaculation has revealed that this fluid is "in no way chemically related to urine."

On the other hand, another researcher, Dr. Karen Sarpolis, M.D., holds that the same fluid comes from the vagina or the bladder, "and is chemically indistinguishable from urine."

What gives? Can't doctors at least agree on the makeup of bitch's brew?

"Although it is possible for some women to lose control of their bladders during sexual activity, the majority of women are most likely experiencing a release of fluid from the Skene's glands," says Dr. Carolyn Gerdes.

The Skene's glands, analogous to the man's prostate gland, surround the woman's urethra and emit secretions similar to prostatic fluid. Skene's glands collectively make up what has come to be known as the G spot.

The G spot was named after Austrian gynecologist Ernst Grafenberg by a group of physicians in the book *The G Spot and Other Recent Discoveries About Human Sexuality*. The 1983 book bucked conventional wisdom by arguing that women are capable of more than just clitoral orgasms, and it described a new family of vaginal orgasms.

Ironically, the feminist movement unwittingly contributed to the confusion about female ejaculation by focusing on the pleasure provided by the clitoris and downplaying the vagina in order to reduce female reliance on the man's phallus.

However, since the early '80s, a rising contingent of researchers and sexologists has come to associate a woman's ability to ejaculate with the G spot, which is located about one-third of the way up the front wall of the vagina, on the side closest to the navel.

"Some women can have orgasms with the firm stimulation of this area," says Gary Schubach, Ed.D., a researcher who studies the female sexual response. "Sometimes arousal and orgasm triggered in this way are accompanied by ejaculation of fluid through the urethra."

A woman who pees during sex and also when she coughs or sneezes may be incontinent; but an ever-increasing number of women who let loose girl juice during sex are not waiting for science to decide if they are pissing or coming. Female ejaculation is real to them, and to a number of researchers as well. Women who try to jizz but can't probably have their Skene's glands to blame.

"If you ejaculate, great," says Dr. Sandor Gardos. "If not, but you still enjoy yourself, that is okay too."

"Aw, anal sex ain't so bad once you get used to it."

ELEN
COMING
CLEAN

PHOTOGRAPHY BY MATTI KLATT

Hotel maid Elen prides herself on a job well done. No room is clean, she maintains, until every nook and cranny glistens immaculately. Only one crevice eludes her endless attempts at purification.

"It's my coochie," Elen admits, revealing the stubborn patch. "The harder I scrub it, the messier it becomes."

Elen demonstrates, vigorously scouring her flue. A puddle spreads across the floor, increasing her workload. Why not abandon this obviously futile effort?

"Never!" Elen vows. "Besides, I'm not complaining. Cleanliness is next to godliness, but making a mess like this feels pretty heavenly too."

LOSING FOR A LIVING

RINGSIDE WITH THE WORKING STIFFS OF THE FIGHT GAME

DOWN FOR THE COUNT
WITH RICHARD LINNETT

For the tanker, the stiff or the tomato can, a job well done means taking a pasting every time he steps into the ring. Why does professional boxing depend on losers to make mediocre pugs seem invincible? HUSTLER hits the mat with prizefighting's black-and-blue maulers.

Tomato Cans

"You see guys who are fat, big bellies, boobs hanging down—sloppy. You hit one one time, they fall down—fight's over. They collect their $300 and go home."

Beads of blood stain the faded, blue canvas, evidence of a fight that has just ended in a crushed nose and a knockout. The referee, his white shirt stippled with red, snaps on a fresh pair of latex gloves for the next bout. Spectators hoot and whistle at a belly dancer who shimmies and shakes in the ring between fights; she leaves a trail of footprints on the gory mat that no one seems to notice. Ringside, New York State Athletic Commission officials talk and laugh; they wear black blazers emblazoned with the New York state seal. On the card tonight are club fights, with professional boxers, on a cool summer evening in a well-lit horse barn at Yonkers Raceway.

Greg Jones slips into the ring. Jones, a New Jersey native, is an imposing black man who wears a pair of scuffed boxing shoes, modest, black gym trunks and a white T-shirt; his professional boxing record is zero wins against one loss. Tonight, Jones is matched against Vinny Maddalone, a neighborhood favorite, who enters the arena with the theme music from *The Godfather* blasting and the crowd chanting, "Vinny! Vinny!" Maddalone wears a silk robe, white silk shorts and is built like a pro wrestler: at least six feet tall and three feet thick. With four bouts under his belt—all wins—Maddalone is being groomed for the fight game, and Greg Jones is his dead man.

The bell rings. Jones ducks under a barrage of punches, buries his face in his gloves and flops against the ropes. The crowd boos. Maddalone pummels his opponent in the ribs and liver. Jones turns his back and flees; the crowd roars with laughter. Jones, suddenly regained of his pride, pivots and rushes Maddalone in a berserk charge, head down, arms flailing. Maddalone threads a punch through the onslaught, catching Jones on the chin. With Jones cornered, on the ropes and passively absorbing blows, the referee steps in, looks the beaten boxer in the eye and calls the fight. After only one minute and 37 seconds, Jones has recorded his second loss in his two-bout career.

"Tomato can," says Richie Damiano, a local boxing reporter, shaking his head with disgust.

* * *

"A tomato can is a guy who cannot fight," says Bobby Czyz, former IBF Light Heavyweight Champion and a boxing commentator for Showtime. "He is a professional fighter only in the sense that he gets paid to get his ass whupped. You see guys who are fat, big bellies, boobs hanging down—sloppy. You hit one one time, they fall down—fight's over. They collect their $300 and go home, or back to the bar they were dragged out of."

In the locker room after his bout, Greg Jones, who makes his living as an auto detailer, admits that he isn't much of a fighter.

"Actually, I got into boxing for other reasons than I was supposed to: the money," Jones says. The brawler says he was paid $600 to fight Vinny Maddalone—not bad for 97 seconds of work. Though he has yet to win a match, Jones expects to do better next time.

"You get tough breaks every once in a while," he says.

Does Jones train frequently?

"No, not at all."

The tomato can is a subspecies of the family of boxers known as opponents: professional fighters who are neither champions nor prospects. Opponents are drones, fighters who are purposely overmatched or mismatched; although they fight, they are expected to lose.

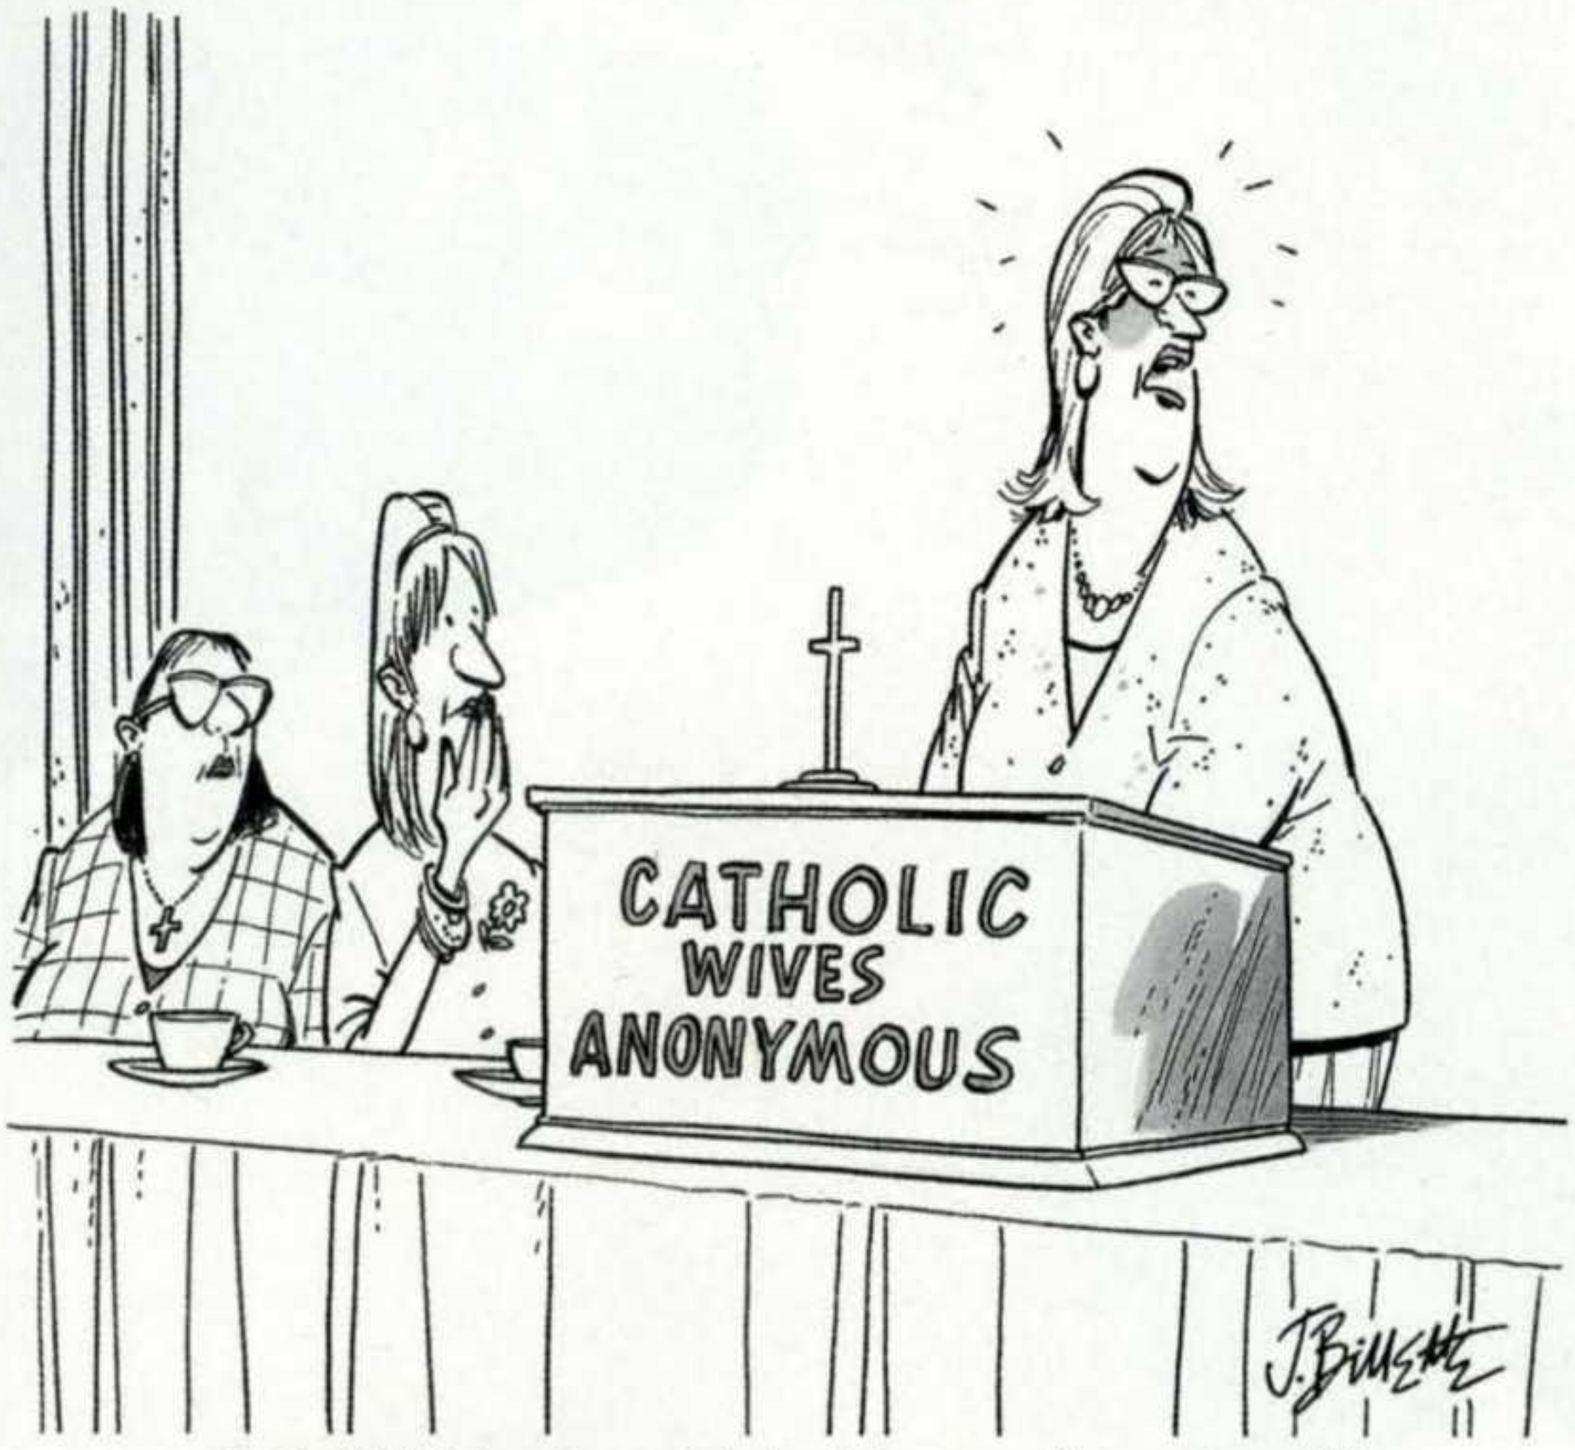
"In boxing, there are two kinds of losers," says Nigel Collins, editor of *Ring* magazine. "Let's call one of them stiffs, and the other bums. A stiff is a guy who has absolutely no interest in winning. He's just in there for a payday. He may or may not have trained, and sometimes he goes down without even taking a good shot. A bum, on the other hand, is a professional fighter who has pride, but really isn't that good. The bum will usually go the distance. He'll give value for money, and that's what is important."

Stiffs, also known as tomato cans, tankers or dead men, can easily be identified by skimming the win/loss columns in *The Boxing Record Book*, the palooka bible. Fighters with considerably more losses than wins, such as James Holly, with three wins against 49 losses; James Wilder, three wins, 53 losses and one draw; or Reginald Strickland, a notorious tanker with 46 wins, 201 losses and 14 draws, arouse justified suspicion.

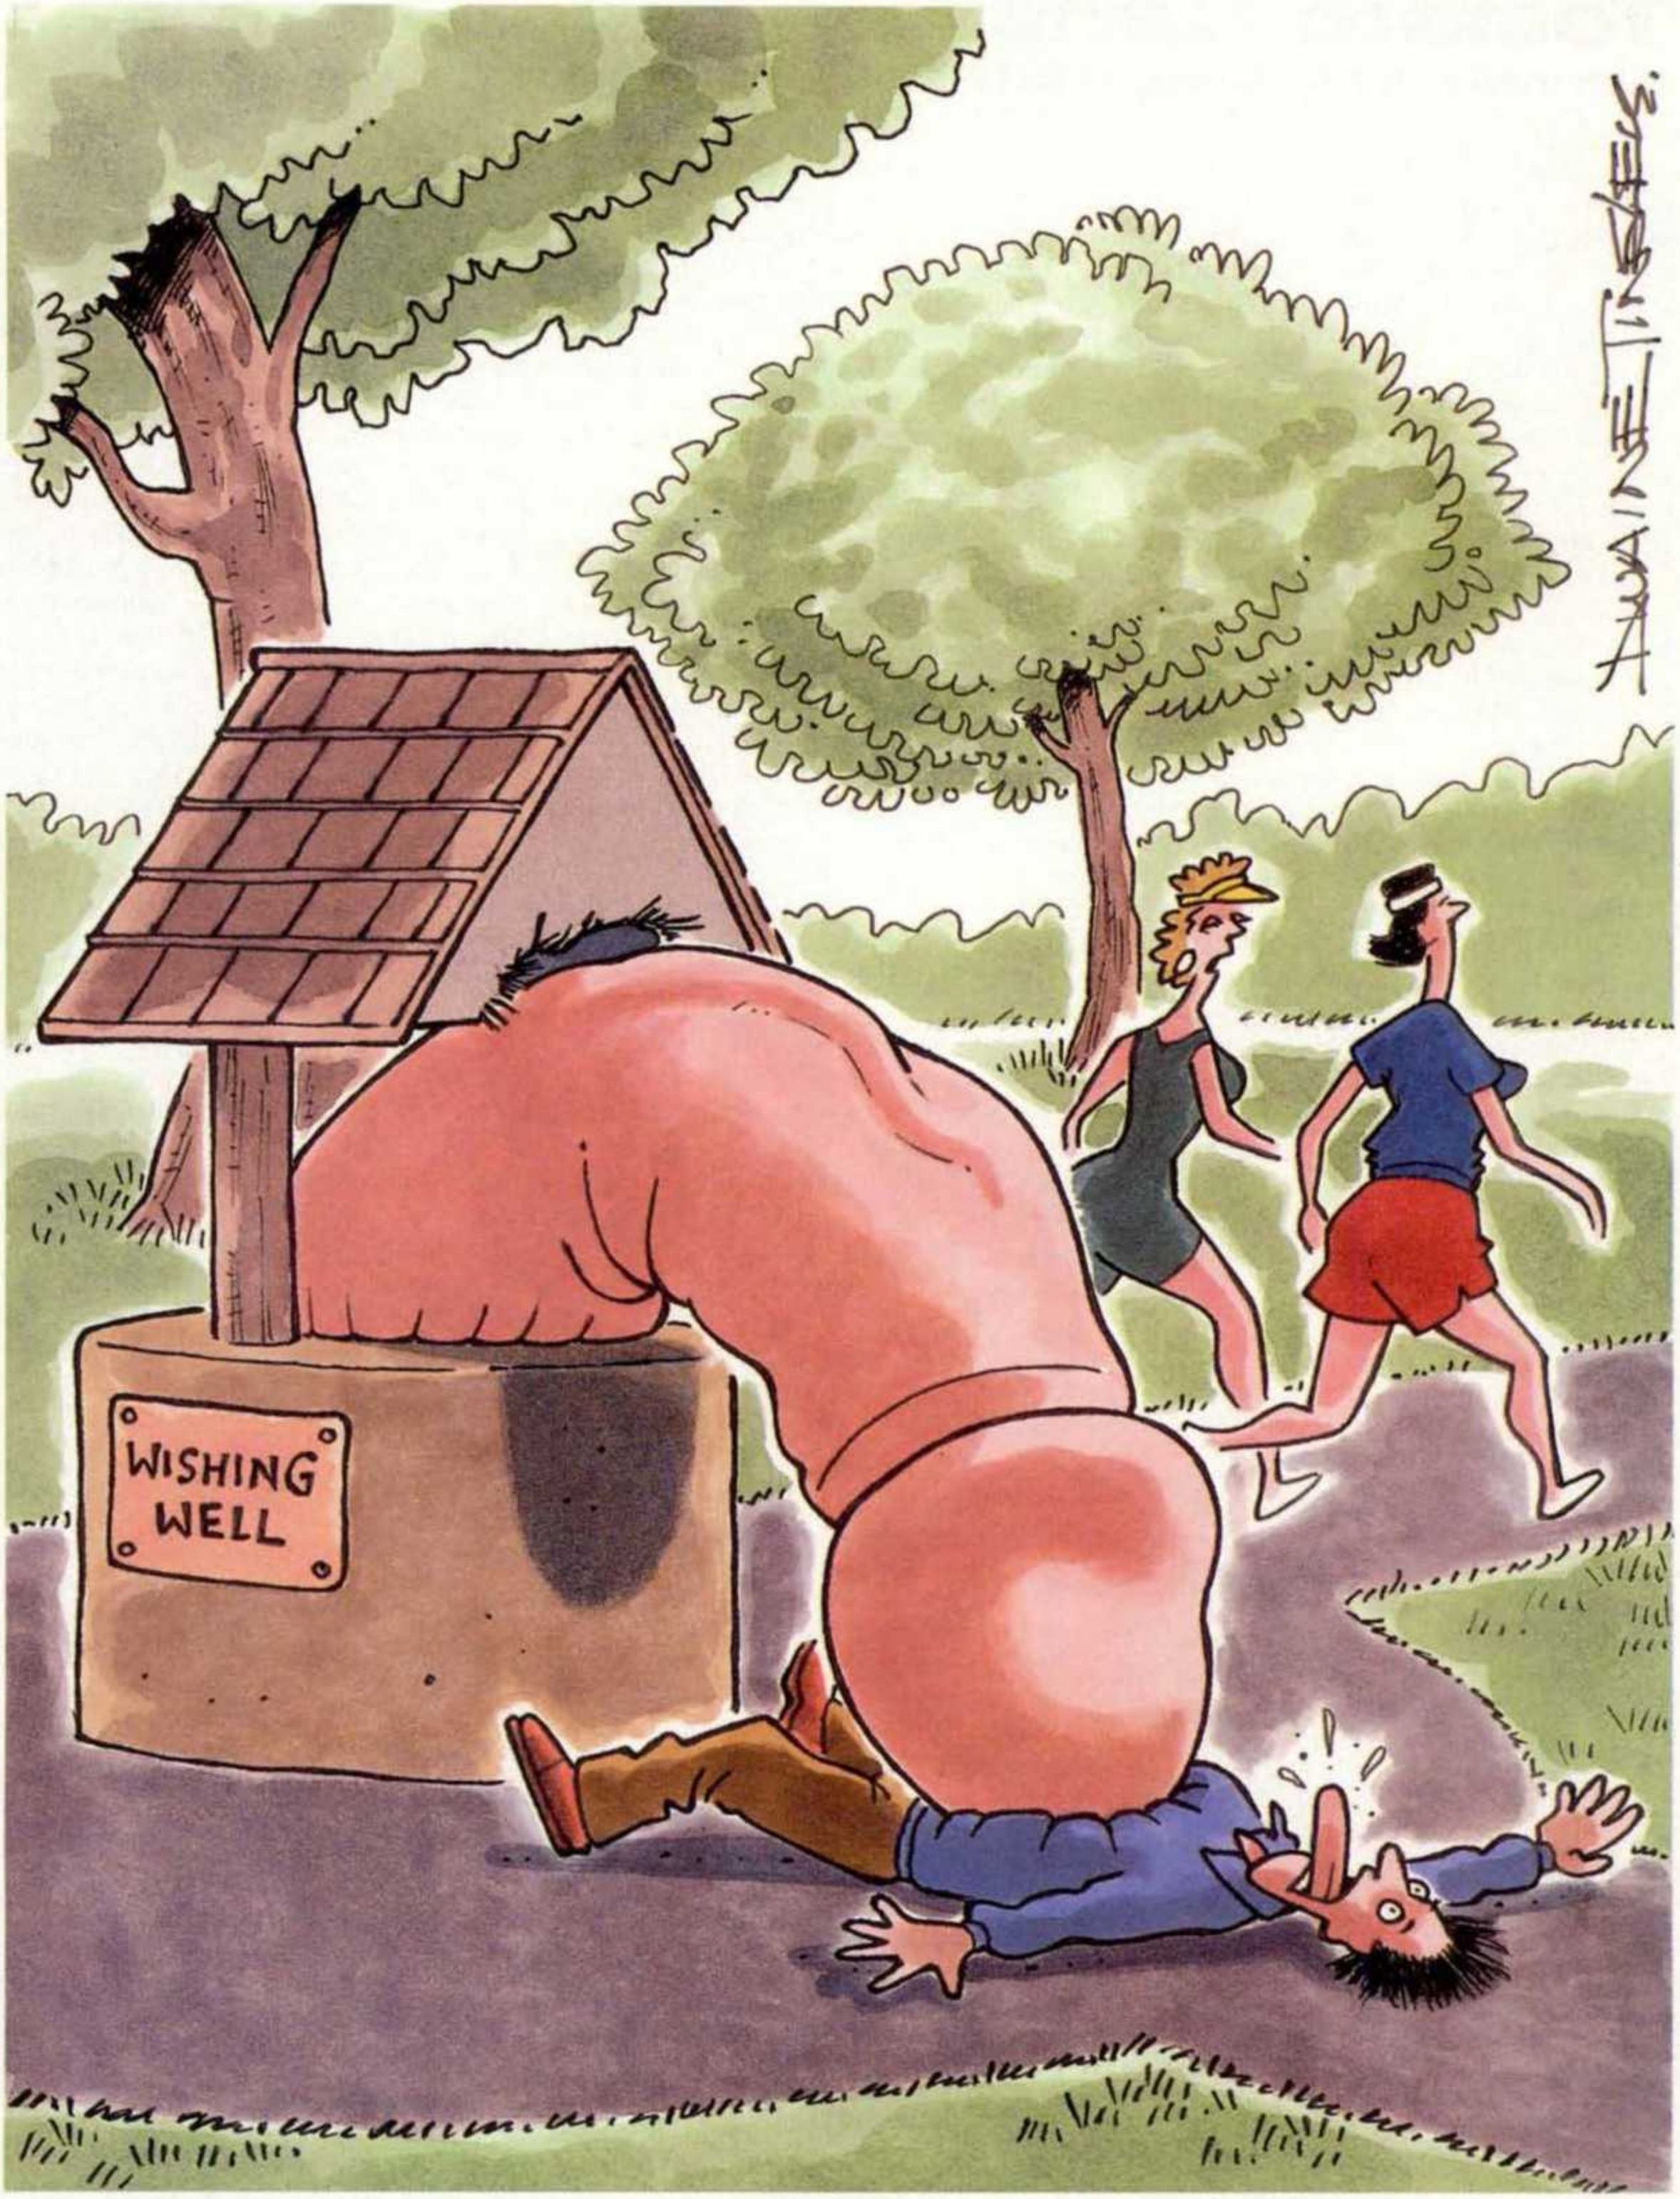
Vito Antuofermo, a former world middleweight champ who fought a 15-round draw with "Marvelous" Marvin Hagler in 1979, can identify a stiff without resorting to the record books.

"You can tell just from the way he looks at you," Antuofermo says. "He knows in his own mind that he is a dead body."

Although tomato cans are publicly disavowed by mainstream boxing promoters and matchmakers, they are as commonplace and relied upon as the sparring partner or the cut man. When bringing a green slugger into the professional ranks, trainers and managers feed young boxers



"Last night, I almost moved during intercourse. I'm so ashamed!"



"Never fails. Men are always wishing for things that'll get 'em in trouble."

Tomashek won the Golden Gloves in 1984 and 1987, and a bronze medal in the 1988 Olympics. "I traded it in, the old bronze medal, for a six-pack. It was the greatest."

a steady diet of professional opponents.

"These guys help build the careers for the up-and-coming kids," says Chuck Wepner, the 59-year-old former heavyweight known as the "Bayonne Bleeder," who was stopped by Muhammad Ali after 15 grueling rounds in 1975. "The kids learn from them."

"You need tomato cans in boxing—always did," says Al Certo, the former manager of mauler Mustapha Hamsho. Certo now scouts talent at the Marciano Gym in Jersey City. "They're not fixed fights, but they're fights that you put your guy in to give him confidence and the feel of the ring. And you'll never see a tomato can get hurt in a fight, because they get hit and go out like a light."

Very few boxers will admit to having fought a professional opponent in what are called "tune up" matches. Bobby Czyz denies it, and so does Chuck Wepner, although *The Boxing Record Book* reveals that, in 1995, Wepner faced "Doughboy" Tim Tomashek, a notorious journeyman from the Midwest who crisscrossed the country losing matches.

The fight game is a bittersweet memory for Tim Tomashek, who now works in a paper mill in Wisconsin.

"God ding. Son of a bean," says Tomashek. "I couldn't have enough God-ding money, fighting all these hillbillies in the Midwest, you know. God dang it. I remember I fought a gent from Trinidad; I fought him over in Mobile. Freakin' son of a bean hit me so hard, he ripped my tooth out. You know how much I got paid for that, the whole works? $350."

Tomashek recalls the days he and Bruce "The Mouse" Strauss, the king of the journeymen, made the rounds on the club fight circuit.

"We'd jump in a van, and we'd go about 12 or 13 hours and fight in Sioux Falls, South Dakota. Sometimes there wasn't enough people in the crowd; we fought for beers. You'd fight a local yokel over there; they didn't know how to fight."

Tomashek won the Golden Gloves in Wisconsin in 1984 and 1987, and he won a bronze medal in the 1988 Olympics. "I traded it in, the old bronze medal, for a six-pack," Tomashek recalls fondly. "It was the greatest."

Richie Melito is an up-and-coming heavyweight from Queens, New York, with a 20 and one record. *The Boxing Record Book* reveals that Melito won ten of his bouts with knockouts in the first round. Melito's early dominance suggests a fighter who was nursed on a pap of mismatches. Melito openly admits to facing bums. "Probably at the beginning," he says.

"I'm getting better and better opponents," Melito adds, almost apologetically. "I'm fighting guys with really good records."

In the boxing commissions or leagues, of which there are currently 12, mismatches are not outlawed, but neither are they endorsed, at least not publicly.

"You have to do what you can to try to weed out the fighters with the worst records and the worst skills," says Larry Hazzard, New Jersey's athletic commissioner. "That's all I can say. If a fighter with a three and 50 record resides here in New Jersey, then it is my responsibility to take a long, hard look at this guy and begin to question whether he should even have a license."

Hazzard does not believe that mismatches are unique to boxing.

"Even in other sports, the best teams do not always play the best teams," says Hazzard.

Marc Ratner, Nevada's athletic commissioner, also voices opposition to the practice of matching legitimate fighters against career losers.

"I certainly would not allow that," says Ratner. "There may not be a specific law, but it's up to me and the state of Nevada to make decisions. If you look at each fighter, he may be the best three and 40 guy in the world, but he shouldn't be fighting a guy who's 20 and zero."

Peyton Sher, a Kansas matchmaker who often works with Don King, believes that tomato cans will eventually disappear from the sport.

"There's not too much of a need for them anymore, because television is dictating who fights and who doesn't fight," Sher says.

Vito Antuofermo disagrees.

"There are always going to be mismatches," says Antuofermo. "As long as there is boxing, they will always be there."

"It's a big, big problem in the sport today," says Bruce Silverglade, the owner of Gleason's Gym in Brooklyn. "You don't fix a fight today by going to a guy and saying, 'Hey, here's a thousand dollars—go and take a dive.' What you do is make mismatches."

Silverglade is a slight man who wears glasses and has never boxed in his life. Nonetheless, he has been employed as a referee, then a judge, and eventually worked his way up to become president of amateur boxing in New York.

Silverglade's Gleason's Gym is housed in a loft in a lonely warehouse district beneath the Brooklyn Bridge in Brooklyn, New York. The gym is a gath-

"I make more money making deals losing fights than winning. When I started, it was $5,000 for winning fights. I make so much more money losing."

ering place for pros, semipros, amateurs and, at the bottom of the pecking order, opponents. Gleason's hosted the 1999 finals for the New York City Empire State games, but the gym doubles as an employment office and a hiring hall. As a booking agent for fighters, Silverglade keeps a constant eye on the characters who come and go: the trainers, boxers and hangers-on.

On a recent afternoon, the phone in Silverglade's office rings; he discusses a fighter, opens *The Boxing Record Book* and checks stats. He scribbles a name and a phone number, then goes out onto the gym floor with the note in his hand. All eyes seem to turn from the heavy bags and sparring partners to watch Silverglade pick his way through the weight stacks and glistening bodies and approach a fighter working over a punching bag. The two talk; a deal is struck.

"More times than not, I'm asked for someone that is a mismatch," says Silverglade.

Among the denizens of Gleason's, a veritable house of tomato cans, is Mitch "Blood" Green, 42 years old, who won four heavyweight gold medals at the New York City Golden Gloves competition 20 years ago. Green is best known for losing a ten-round decision to Mike Tyson in 1986, and later fighting with the ex-champ in the streets of Harlem.

"He's in and out of jail, in and out of Rikers Island," Silverglade says of "Blood" Green. "He should be a multimillionaire, but instead, he's trying to make a dollar."

Dominick Monaco is a mismatch, and he admits it. His record is 29-35-2. Born in Italy in 1951, Dominick is a lightweight who looks like a compact version of Rocky Balboa. He has a broken nose and droopy eyes. He started boxing in 1969 and competed in the Olympic trials in 1974, but unsuccessfully. Monaco can be found at Gleason's every day of the week.

"I may tell you something—you may not like to hear it, but I have to tell you," says Monaco, his speech garbled and slurred from stopping too many punches with his face. "I make more money making deals losing fights than winning. When I started, it was $5,000 for winning fights. I make so much more money losing."

"Dominick will go either way," says Bruce Silverglade. "He'll fight to win, but when they come up to him and say, 'Hey, listen, we don't want you to win,' he'll say, 'Oh, okay, fine.' "

When a call came into Gleason's from a promoter looking for a fighter to go against Butterbean, a tubby, bald, showboating boxer who will take on anybody from wrestlers to retired champs, Silverglade booked a known loser. At the time, Butterbean's record was 20 wins and no losses, and Mitch Rose, a heavyweight with a sweet, unscarred face, got the nod to be Butterbean's 21st win.

Mitch Rose has a pleasant, easygoing demeanor, and is always smiling; but inside, he is an angry man.

"They are setting me up all the time," says Rose, taking a break from a workout at Gleason's. "This guy here, Bruce—he's a matchmaker. They call him for guys who need fights to make some money. Every last fight, Bruce got me real good. I don't know why I let him get me like that, but there was always a time where I was struggling to pay rent.

"I knew I was being set up," Rose continues. "That was the only way I figured I could make it in this business." Rose makes between $800 and $1,000 per fight, but has fought for as little as $500.

"When they called for a guy for Butterbean, Bruce said, 'I know a guy he can beat,' " Rose says. "Bruce thought he found a sucker again; so he picked me to fight Butterbean in Madison Square Garden in front of 18,000 people.

"Everyone was telling me this was my chance," says Rose, who trained rigorously and read a book about boxing in preparation for the match. In the third round of his fight with Butterbean, Rose stopped the undefeated showman with a blistering combination of punches. "That was my minute of glory," Rose recalls. Since that victory, two years ago, Rose has only fought once, and lost.

"I couldn't get any more fights," says Rose. "Everybody thought I was a spoiler."

At the Pyramid Gym in Rahway, New Jersey, near the prison where Mike Tyson spent some downtime, Darnell Green turns ex-cons into opponents.

"They always call me for dead men," Green says. "They never call me for anybody legitimate, and, every now and then, my dead men win.

"I'm kind of in the shithouse with the commission over shit like this—because of the opponents," says Green, who was once a dead man himself, a light middleweight with a record of 1-12-0. "I walk them into the ring, you know. The commission doesn't like it; but the promoters love it, for the guys they're building up. I can get you ten fighters' names that got all my guys; every fucking guy they

"The off-season can be pretty lonely here," admits island-resort hostess Tara. "But my imagination keeps me company.

"I'm cruising on my tiny ship when I'm shanghaied by a ruthless gang of pirates. They commandeer my vessel, forcing me onto the plank. Naked and exhausted, I eventually wash up on shore here, where I spend many lonely days until...."

Tara's eyes scan the deserted beach. Is she looking for her man Friday?

"I'm looking for a man every day," Tara sighs. "I can't wait for the tourist season to begin again."

HUSTLER HUMOR

Bret took Gina, an Italian girl, home and talked his way into her bedroom. He started to fuck her. "Stop it!" the naive Catholic cried. "Mama says that's how you make babies."

Respecting her wishes, Bret turned her around to stick it in her ass. "No, no!" Gina pleaded. "Papa says that's how you make lawyers."

Question: What's 18 inches long and makes a woman scream?

Answer: Crib death.

A 98-year-old man hobbled into a whorehouse, quivering with joy. "Today's my 98th birthday!" he cried. "I want a blowjob!"

Cindy led the graybeard into a room, but, try as she might, she couldn't suck the old guy hard. Throwing her hands up, Cindy said, "Mister, you've had it."

"Great!" crowed the geezer. "How much do I owe you?"

Two Indians were hunting on the Great Plains. Running Bear silently laid his ear to the ground. "Buffalo come," he said.

"How you know?" asked his partner.

"Stuck to my cheek."

A lioness was drinking from a puddle when a chimp sneaked up from behind and fucked her up the ass in two quick bursts. She roared and turned to face her attacker.

The monkey took off, followed by the enraged she-cat. The chimp ran into a hunter's camp, jumped into a tent, put on a safari outfit and a pith helmet, grabbed a copy of the Johannesburg *Times,* sat in a chair and began to read.

The angry lioness ran into the tent. "Did you see a chimpanzee run through here?" she bellowed.

The monkey didn't look up from his reading. "Do you mean the one who ass-fucked you?"

"My God," wailed the astonished lioness. "It's in the paper already?"

Maude went to a fertility specialist in her 76th year. Soon, she was blessed with a baby girl. Maude's overjoyed sisters, Clara and Rose, came from Florida to marvel at the scientific miracle.

The baby's new aunties were anxious for a glimpse of the newborn, but Maude was strangely hesitant. "Please, not quite yet," the new mother begged.

An hour later, the sisters were impatient. Clara, the eldest, groused, "When may we see this child, Maude?"

The 76-year-old mom sighed. "Just as soon as she cries. For the life of me, I can't recall where I put her."

In a primary-school classroom, the teacher noticed a little puddle of piss underneath Mary's chair.

"Oh, Mary!" the teacher chided. "You should have put your hand up."

"I did," Mary replied, "but it ran through my fingers."

The HUSTLER Dictionary defines *tightwad* as: a Jewish tampon.

Before she went out, Janet asked her boyfriend for $50.

"What the hell do you need $50 for?" the cheap bastard complained. "You don't smoke, you don't drink, and you own your own pussy."

A college couple were under a tree on campus, fucking around at night. After a long bout of foreplay, Missy moaned to Brad, "I wish you had a flashlight."

Brad swigged his brew. "Why's that?" he asked.

Missy folded her arms and said, "You've been eating grass for 15 minutes."

Question: Why do sluts have belly-button rings?

Answer: So you can hang an air freshener.

A man walked into a drugstore and strode up to the pharmacy. "I need birth-control pills for my 11-year-old girl," he proclaimed loudly.

The druggist was stunned. "Are you telling me that, at such a young age, your daughter is sexually active?"

"Not really," the customer reflected. "She just lies there like her mother."

BOY, THEY'RE GETTING TOUGHER AND TOUGHER ON SMOKERS!

DWAINE TINSLEY.

SELLING LOOSE BOOTY

24 HOURS IN THE LIFE OF A SMACK WHORE

REPORT BY JAMES EMERY

Before heroin spiked her veins, Laura had a family and a nine to five; now she sleeps in an alley and spreads her legs for chump change. HUSTLER spends a day on the stroll with a woman who tricks to fix.

Smack Whore

Laura's mouth and vagina are priced to sell: $20 for a blowjob, $40 for intercourse, though her fees can be haggled down if she is jonesing for an injection.

Most of the motorists cruising down East Colfax Avenue in downtown Denver don't recognize a prostitute when they see one. In order to avoid the scrutiny of vice cops, working girls on East Colfax dress casually, usually in blue jeans and a T-shirt in warm weather. Whoremongers look for a girl who lingers near an intersection and meets their predatory stares with eyes lusting after cash.

"The johns don't realize the level of people that they're dealing with," says a sergeant with the Denver vice squad, who speaks on the condition of anonymity. "You're playing Russian roulette with your health, and even your life. You never know who you're picking up."

Sitting at a bus stop, scanning the passing traffic, is Laura, a 40-year-old heroin-addicted prostitute from a small town in eastern Kansas. Track marks scar Laura's inner arms. Exposure to the sun and the rigors of street life have leathered and lined her face.

Laura's mouth and vagina are priced to sell: $20 for a blowjob, $40 for intercourse, though her fees can be haggled down if she is jonesing for an injection.

"It's not a matter of getting high; it's avoiding getting sick," Laura says.

Laura asks that her identity remain a secret, but she is happy to divulge nearly every other detail of her shattered life.

Laura was adopted, then molested; from the time she was 12 until she left home at the age of 18, her stepfather used her to satisfy his sexual needs. Laura's mother responded to the abuse by calling the child a slut.

At 19, Laura married her high-school sweetheart; along with him came a long-term relationship with LSD and cocaine. The marriage ended after seven miserable years, and Laura moved in with a man who taught her to inject cocaine and methamphetamine. That relationship collapsed when she met Frank, her boyfriend now for more than ten years.

Frank outdid both of his predecessors by introducing Laura to heroin. Now she turns tricks to support both of their habits; Frank spends his time hanging out in parks, panhandling for beer money.

"Frank has always been underground," Laura says.

For a while, Frank and Laura supported themselves by selling marijuana out of their apartment. The couple diversified into the heroin trade and violated the drug dealer's golden rule: "Don't get high on your own supply." Shortly thereafter, they found themselves homeless.

"We started selling everything we had: furniture, TV, stereo, CDs," says Laura. "We lost everything."

Today, Frank and Laura sleep in alleys and abandoned houses; they carry their scant belongings in a pair of backpacks that Frank pulled out of a Dumpster. Each day is focused around hustling cash to score smack.

The low-grade tar heroin Laura uses costs $15 to $20 a pop, enough for an evening shot and a "wake-up" in the morning. If Laura splits her junk with Frank, she turns two tricks a day.

Her first week working as a professional prostitute, Laura hitchhiked on one-way streets in a downtown area not normally frequented by whores, with limited success.

"I started saying, 'Hey, I'm dating. Are you into that?' " says Laura. "I got a few dates, but most of the men were really surprised."

Eventually, a good-hearted john directed Laura to Jesus Saves, a rescue mission near Skid Row, not for the sake of salvation, but because the mission is adjacent to a notorious whore's stroll, where crack- and smack-addicted hookers rendezvous with men in assembly-line fashion. Laura has been working the streets of Denver for more than a year now, feeding the heroin monkey on her back.

Laura has reached such an advanced stage in her addiction that when she is in need of a fix, her skin crawls and her body jerks with spasms that make sleep difficult and hustling impossible. Once she injects heroin, Laura has a window of 12 to 24 hours of normal functioning before she must shoot up again.

Since Laura only needs to turn one or two tricks a day to support her habit, she can refuse to service men that appear dangerous or foul. On the other hand, if she is hurting for a fix, Laura is compelled to take any and all offers.

"That is why it's bad to be out there doing it for drugs," says Laura, "because you can't always turn a guy down. You need the money."

Laura's on-the-job hazards include serial killers, many of whom target prostitutes. One crack-addicted Denver hooker ended up in the trunk of a car, stabbed 27 times.

"One guy strangled me in a car off of Broadway," Laura says. "I thought I was dead. When he lost his grip, I screamed as loud as I could. He freaked out and drove off. That saved my life."

Laura likes to conduct her business and score her drugs before dark, because psychos tend to come out at night, and harassment from vice cops increases as the evening progresses. She can usually

Road-tripping blondes Mia and Ema make an unscheduled pit stop at a grassy plain.

"Did you hear that?" Mia gasps, poking her comely travel partner. "Pull over."

"What is it?" Ema demands as Mia drags her into the overgrown field.

"A voice," Mia whispers. "It's almost…ghostly."

Possessed by the disembodied muttering, Mia's fingers gouge between Ema's nether lips. Barely audible above Ema's ecstatic gasps, the voice persists.

"What's it saying?" Ema demands breathlessly.

" 'If you drill it, she will come,' " Mia replies.

"My God," Ema pants, "it's true."

Laura admits that selling herself has affected her sex life. "I used to like to suck my man's cock, but I really don't like giving blowjobs anymore. It's too much like work."

be found working the streets between three and six in the afternoon.

"I try to look for one of my regulars," she says.

What kind of man regularly uses a bottom-of-the-ladder prostitute like Laura? According to Denver police sources, men soliciting hookers on East Colfax come from all classes of society, and include teachers, truck drivers, lawyers and clergymen. Many johns are married. During a recent reverse sting, the Denver vice squad arrested a man who brought his four-month-old baby into a whore's motel room. The man sat the toddler on the floor while he climbed into bed with his rented piece of ass.

Laura may be a street whore, but she stands by the many stiffs in her life.

"People think it's just a bunch of horny men," Laura says. "But what people don't realize is that there are men who don't really care about the sex as much as the companionship. A lot of them, at least half, are just lonely. They want somebody to talk to and to hold them."

Laura lends an ear to the troubled souls on the street and provides a shoulder to lean on, but her primary duty is to have a mouth for them to come in.

Blowjobs, Laura's most often requested service, can be had in an alley, a garage or a parking lot. Sometimes the john drives while Laura sucks.

"I can tell what kind of a person he is through his seminal fluid," Laura says. "You can tell people who have healthy diets and people who don't; there's a definite taste difference. It seems like people who have a bad diet taste a little saltier."

Intercourse, when it happens, usually takes place in the john's car. One regular customer banged Laura in the camper shell of his truck. When necessary, portapotties in city parks have provided a private, if smelly, place for a casual rendezvous with a hard-up man on the make.

* * *

Around daybreak, Laura and Frank emerge with scarecrow hair from the torn and stained sleeping bags they scavenged out of the trash. They are encamped in one of their favorite spots, an alley behind the church of St. Andrew's, near Skid Row. The church's back entrance opens onto a courtyard with lawn furniture arranged beneath a shade tree. Across the alley, a high wall with a gate creates an enclave about six feet square where Frank and Laura sleep.

Personal hygiene is a low priority for Frank and Laura, who have not brushed their teeth in months and do not even own a toothbrush. Laura is missing teeth, and smoking has stained those that remain. Bathing is an irregular event; so is laundry.

The two roll their sleeping bags and stuff their belongings into their packs, then head for the free breakfast at Volunteers of America. Laura and Frank stand in line and consume a heaping plate of scrambled eggs; they pour enough sugar in their coffee to absorb most of the liquid.

After breakfast, Frank and Laura return to their spot in the alley behind the church.

Laura squirts water from a squeeze bottle she carries with her at all times into a spoon, then cooks a brown wad of cotton with a lighter.

Heroin is changed from the solid form in which it is sold to the liquid form in which it is injected by mixing the drug with water and heating it in a spoon. Addicts draw the liquefied heroin into a needle through a wad of cotton in order to filter out impurities. "Shooting the rinse" involves boiling the used cotton and injecting the resulting tincture.

"It's not much," admits Laura, "but it takes the edge off."

Bolstered with a shot of diluted junk and distilled by-products, Frank and Laura walk to a nearby park; Frank panhandles while Laura hustles passersby for cigarettes.

"I can't believe none of these assholes smoke," Laura says. Finally, she cops a coffin nail, lies on the grass and puffs, then drifts off to sleep.

* * *

Many close relationships are dogged by issues of fidelity, and Frank and Laura's case is no different. Frank is cuckolded on a daily basis, and it hurts.

"He knows what's going on," Laura says. "We just don't talk about it in detail. He's caught up into it too, because he knows he can't get fixed unless I show up with the cash and pay for his drugs. It's hard on our sex lives. It's hard on our emotional lives. It's tough all the way around."

Though she concedes that Frank is entitled to feel some pain, Laura sees a distinction between personal and professional sex.

"It's not like I'm having intimate sex with everyone that I meet," she says. "If a guy wants to look at my breasts, he's going to get charged. If the guy wants me to take my pants down, there's a charge."

Laura can juggle whoredom and an emotional balance, but admits that selling herself has adversely affected her sex life.

"I used to like to suck my man's cock, but I really don't like giving blowjobs anymore. It's too much like work.

"I still get into the lovemaking with Frank," Laura adds. "The touching and

Smack Whore

"Since I wasn't wearing underwear, I just hiked my skirt up and sat on his cock. He told me to say 'fuck me' really hard, so I kept saying, 'fuck me, fuck me.' "

getting to that point of having a good, satisfying fuck. I still get into that, because when you're out there trying to do a straight—what they call a straight is a fuck—you don't go through the procedures you go through when it's a personal thing."

* * *

Laura is dragging as she strolls East Colfax today. "This shit is getting old," she moans. She is fortunate, though, and scores two tricks in quick succession.

As Laura crosses East Colfax, a fortysomething man driving a white Ford beckons to her. The junkie leans inside the car window and talks to the man briefly, then opens the door and climbs in. The car drives off.

"Within a block, we established what we were doing out there, and he asked me if I would be interested in a little action for some money," Laura says. "When I said yeah, he got a big smile on his face, but said he was in a bit of a rush—he was divorced and had to pick up his two kids."

The man wants to fuck, but will not pay Laura's standard fee. She agrees to take $25, which he hands to her as they drive toward an industrial area where they find an alley and pull in.

"I had to get him hard; so I sucked his cock," Laura says. "Then he climbed over to the passenger seat and shoved his pants down to his ankles. I put a condom on him, and since I wasn't wearing underwear, just hiked my skirt up and sat on his cock. He pulled my shirt up and told me to say, 'Fuck me really hard.' I guess it turned him on. So I kept saying, 'Fuck me, fuck me.' "

This man has a trait highly prized among tricks: He comes in less than five minutes.

"He had me sit there for a minute after he came, while he was still inside me," Laura says. "Then he pulled up his pants and got back into the driver's seat."

With an understandable lack of pillow talk, Laura is deposited back on East Colfax. She lights a cigarette, walks to a bus stop, sits down and leans back to await her next encounter. A blue Trans Am stops at the bus stop. A man with the passenger-side window rolled down calls out to her.

"Do you need a ride?" he asks. Laura stubs out her cigarette and climbs into the car.

* * *

Laura and the other girls on East Colfax play a cat-and-mouse game with undercover police, pretending to be waiting for a bus, making a phone call or running errands.

Talking to a man while standing outside a vehicle draws undue attention. Laura has to size up a john in a matter of seconds before she is spotted by the police. Hookers and johns engage in word games to try to determine if they're dealing with a cop. So far, Laura has avoided arrest, but admits she becomes careless if she's out too long.

"By nightfall, I'm like, 'I'm working the streets. Are you interested?' " she says. "I get that direct when I'm stuck out there and need a fix."

"Sometimes we'll watch a known hooker get into the car with a john, and then follow the car," says Lieutenant Sam McGhee with the Vice and Narcotics Division of the Aurora, Colorado, Police Department. "After allowing them to get situated, we'll make contact, often finding them in a compromising position."

Undercover vice cops driving impounded cars do have some success at nabbing unwary prostitutes, but just as many overzealous officers give themselves away.

"I'm walking past the Royal Host [Hotel], and this young black guy in a blue car drives up to me and starts yelling, 'Come on, get in the car, come on,' " Laura says. "And he's showing me a bankroll. He tried to make it sound like I knew him, but kept trying too hard to get me in the car. I knew something was wrong. He was a cop. Every time I've been approached by an undercover, they're always showing me money. A normal john does not do that.

"When they want to bust you, they'll send one cop after another," Laura adds. "Last Sunday, I talked to so many undercovers, it was ridiculous."

* * *

While they drive, Laura and the man behind the wheel of the blue Trans Am continue the negotiations they began on East Colfax.

"As we were driving, he said, 'You got really nice legs; let me see them,' " Laura says. "So I opened up my skirt and showed him my legs. He looked at me and said, 'What are you up to tonight?' 'I'm just cruising, looking for some extra money.' "

"He said, 'How do I know you're not a cop?' He wanted to check for wires. He told me to lift up my shirt. I did and said, 'How do I know you're not a cop?' He unbuckles his belt, opens his pants, exposes himself and asks if I want to feel it. We got that over with. So I said, 'I take it you might be interested in a date?' "

Laura's trick signs up for a $20 blowjob

Beaver Hunt

"Call me morbid, call me pale, but call me," insists Sydney Vicious, a mistress and poet from St. Petersburg, Florida. Sydney describes herself as a subversive artist who patterns her life around novelist Anaïs Nin. "To be in a Halloween pictorial with spooky, sexy girls" is Sydney's fantasy. There's nothing like an intense goth-chick sex party, eh, Sydney?

Flash for Cash!

Attention, ladies! Are you an amateur nudist over 18 years of age? The 2000 *Beaver Hunt* Grand Prize Competition is looking for *you!* Snap a clear, color picture, and mail it to HUSTLER *Beaver Hunt*, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Every lady whose picture we print gets $250 and a chance at the 2000 Grand Prize—a photo-feature worth $5,000. Grand Prize Finalists win $1,500 each. The award for the photographer of the Grand Prize Winner is $500, and the Finalists' photographers win $250. Fill out the model release below, and include a photocopy of (1) a photo ID and (2) another form of ID. All photos become the unreturnable property of HUSTLER Magazine.

Tanzi is a 27-year-old entertainer from Myrtle Beach, South Carolina. When raven-haired Tanzi isn't dancing, the leggy seductress enjoys reading and snuggling with her man. Not content with a single partner, Tanzi dreams of one day indulging herself in an "all-female gang-bang." Tanzi, anyone?

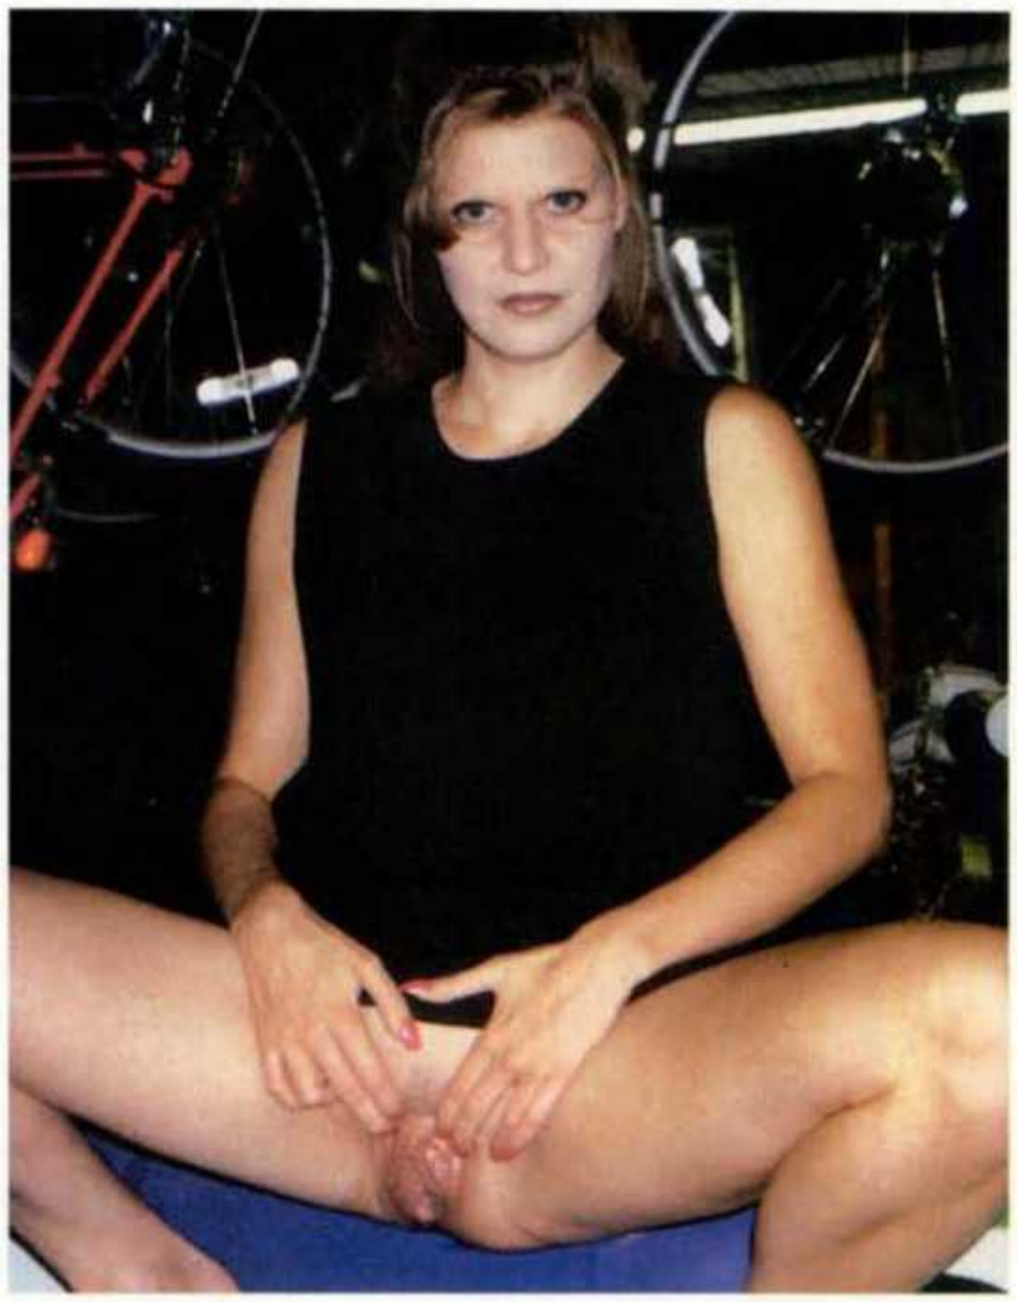
Ryan, 21, is a full-time student from Dallas, Texas. A free spirit, Ryan spends as much time as she can camping, hiking—just about all of the outdoor activities there are. Working out and modeling also thrill the pants off the petite brunette. "Having sex in the world's tallest elevator" is Ryan's secret desire. Anyone up for going down with Ryan?

Photo by Friend

Alex is a rugged individualist. The 30-year-old fulfills one of many sexual fantasies by appearing in *Beaver Hunt*. Orlando, Florida, is Alex's hometown, where she works as an office assistant. "I enjoy dancing and swingers clubs," Alex proudly states. Her fantasies include "sex in public and a lesbian experience." If the crane you're sitting on were manned by a woman, you could've combined your dreams into one megaton orgasm.

Photo by Boyfriend



A nurse from Plymouth, Michigan, Dawn is a lady of many interests. Boating, shopping, exercising and talking on the phone top her list of activities, but Dawn also loves to model in the nude for her husband. The 29-year-old Michigander dreams of surprising her man by simply "showing up out of the blue one day, clearing his desk and making hot, passionate love to him while his coworkers watch." Don't forget to send HUSTLER the pictures!

Photo by Husband

Delilah is a 22-year-old student and exotic dancer from Bowling Green, Ohio. Rock climbing and writing poetry are Delilah's favorite pastimes. "I've already fulfilled most of my sexual desires," Delilah insists, "except for making love in a hot tub. The idea of complete weightlessness while having an orgasm seems just divine. When my lover comes, the thought of soaking ourselves in the cum that surrounds us seems deliciously naughty." You're a tasty vixen yourself, Delilah.

Myrtle Beach, South Carolina, is where lovely blonde Victoria Denise enjoys ocean-side schtups. Wild, passionate sex on the beach isn't all that moistens the mound of the 23-year-old exotic dancer. "Having thousands of guys watch me please myself and come at the same time I do" is Victoria Denise's ultimate fantasy. On your marks, get set, masturbate!

Photo by Husband

Charming Taylor loves to swim, shop, work out and play tennis. A student by day and an entertainer by night, Taylor is one active 26-year-old who can't be stopped. Greensboro, North Carolina, is Taylor's stamping ground. The seductive brunette is a newlywed whose secret fantasies are to "be with two other women at once, and to watch two men do it." Why didn't you make your demands known at your wedding reception, Taylor?

Photo by Friend

Tarot cards and Ouija boards tantalize Diane from Warren, Pennsylvania. Dark and mysterious, Diane is fascinated by older sexual partners. The brooding 29-year-old fantasizes about "sex with an older, eccentric woman." Spirits of the underworld, send Shirley MacLaine to the lovely Diane's bed posthaste!

Photo by Friend

"I love to show off!" proclaims Amber, a model and "Web mistress" from St. Charles, Missouri. Cooking, camping and exciting men are Amber's favorite activities. The fun-loving 32-year-old professes a love for "multiple partners—male and female. I fantasize about a serious gang-bang!" Would a lighthearted orgy be too much to ask for, Amber?

Tomato Cans

(continued from page 68)

fight is from Rahway. But they're on my ass about it now. They want to kick me out of boxing."

* * *

In Edison, New Jersey, a warehouse serves as a makeshift boxing arena. Genaro Andujar (8-16-2) is battling Dillon Carew (10-2-2) in a club fight. Larry Hazzard, the boxing commissioner, sits ringside, watching closely as Andujar, a veteran lightweight, takes a shellacking. Both of Andujar's eyes are swollen and threaten to close; blood pours from his nose, which is held together by a metal screw. Andujar's cornerman, whom he met for the first time tonight, looks concerned. In the fourth round, desperate to land a punch, Andujar leaves his face exposed and takes a punishing combination to the head, then falls back on the ropes. Andujar's cornerman throws in the towel.

Later, in the locker room, Andujar is slumped in a chair, his face raw and swollen like the meat of a blood orange. "I'm just a journeyman," he admits in a barely discernible voice, muffled by a swollen mouth. Andujar works for a chinaware company in the Bronx, stacking dishes and plates in the warehouse. Literally a bull in a china shop, Andujar doesn't think he has any more than a year of boxing left in him. Within two weeks, he says, he expects to fight again, even though he knows that after being stopped, a boxer in the state of New Jersey is automatically suspended for 30 days. This minimal period of time in which a fighter must allow himself to heal is not a punishment, but a precaution. Unfortunately, most professional opponents ignore mandatory suspensions.

Dillon Carew, for example, is on the suspension list, but he fought tonight, right in front of the not-so-watchful eyes of commissioner Larry Hazzard. Indeed, as he rests from his latest battle, Andujar's name is going up on the suspension list, alongside the notation: *30 days. Needs Cat scan.* For the fight with Carew, the boxer has earned $1,200.

A little boy enters the locker room and stands in front of Andujar. Michael is Genaro Andujar's seven-year-old son. Pointing to his father, the boy says, "He's going to buy me a bicycle." Andujar nods.

"Do you want to grow up and be a boxer like your father?" the little boy is asked. He stares at his father again, smiles at the bruised and broken face, and then replies, sweetly, "Yes."

Genaro Andujar shakes his head vigorously. "No, I don't want him to box," he says, his voice muffled by pain and a badly swollen lip. "Never. He will play baseball."

Smack Whore

(continued from page 102)

and drives to an alley in a nearby residential neighborhood.

"As I gave him a blowjob, he reached up under my shirt to feel my tits," Laura says. "He came quick, a few minutes."

Laura spits the splooge into the street, and her john drops her back on East Colfax.

"I got out of his car and started thinking about fixing," Laura says.

Laura catches a bus downtown to the end of the mission where she usually scores. It is 7 p.m. when she sees a familiar face.

A shirtless black man standing across the street from a Popeyes Chicken & Biscuits joint already knows what Laura wants.

"How much do you need?" he asks her.

Having just turned two quick tricks, Laura splurges and buys a half gram, which usually runs for $40, but costs her only a hard-earned $35, since she is a repeat customer.

Laura hasn't shot shit since early that morning; so she fixes immediately after scoring, in a doorway.

Laura unwraps the plastic wrapper from the sticky, dark-brown nugget of smack and drops the chunk in her spoon. Using bundles of three matches at a time, Laura heats the heroin, which softens and dissolves in the spoon. Laura mashes and stirs the junk with the plunger of the disassembled syringe. After one final flash of flame under the spoon, she ties off her arm, puts the syringe back together and draws the brown fluid through cotton into a 100cc insulin syringe marked: USE ONCE AND DESTROY.

Laura shoots into a vein in her knuckle, between the middle finger and the ring finger, then makes her way back to the alley behind the church.

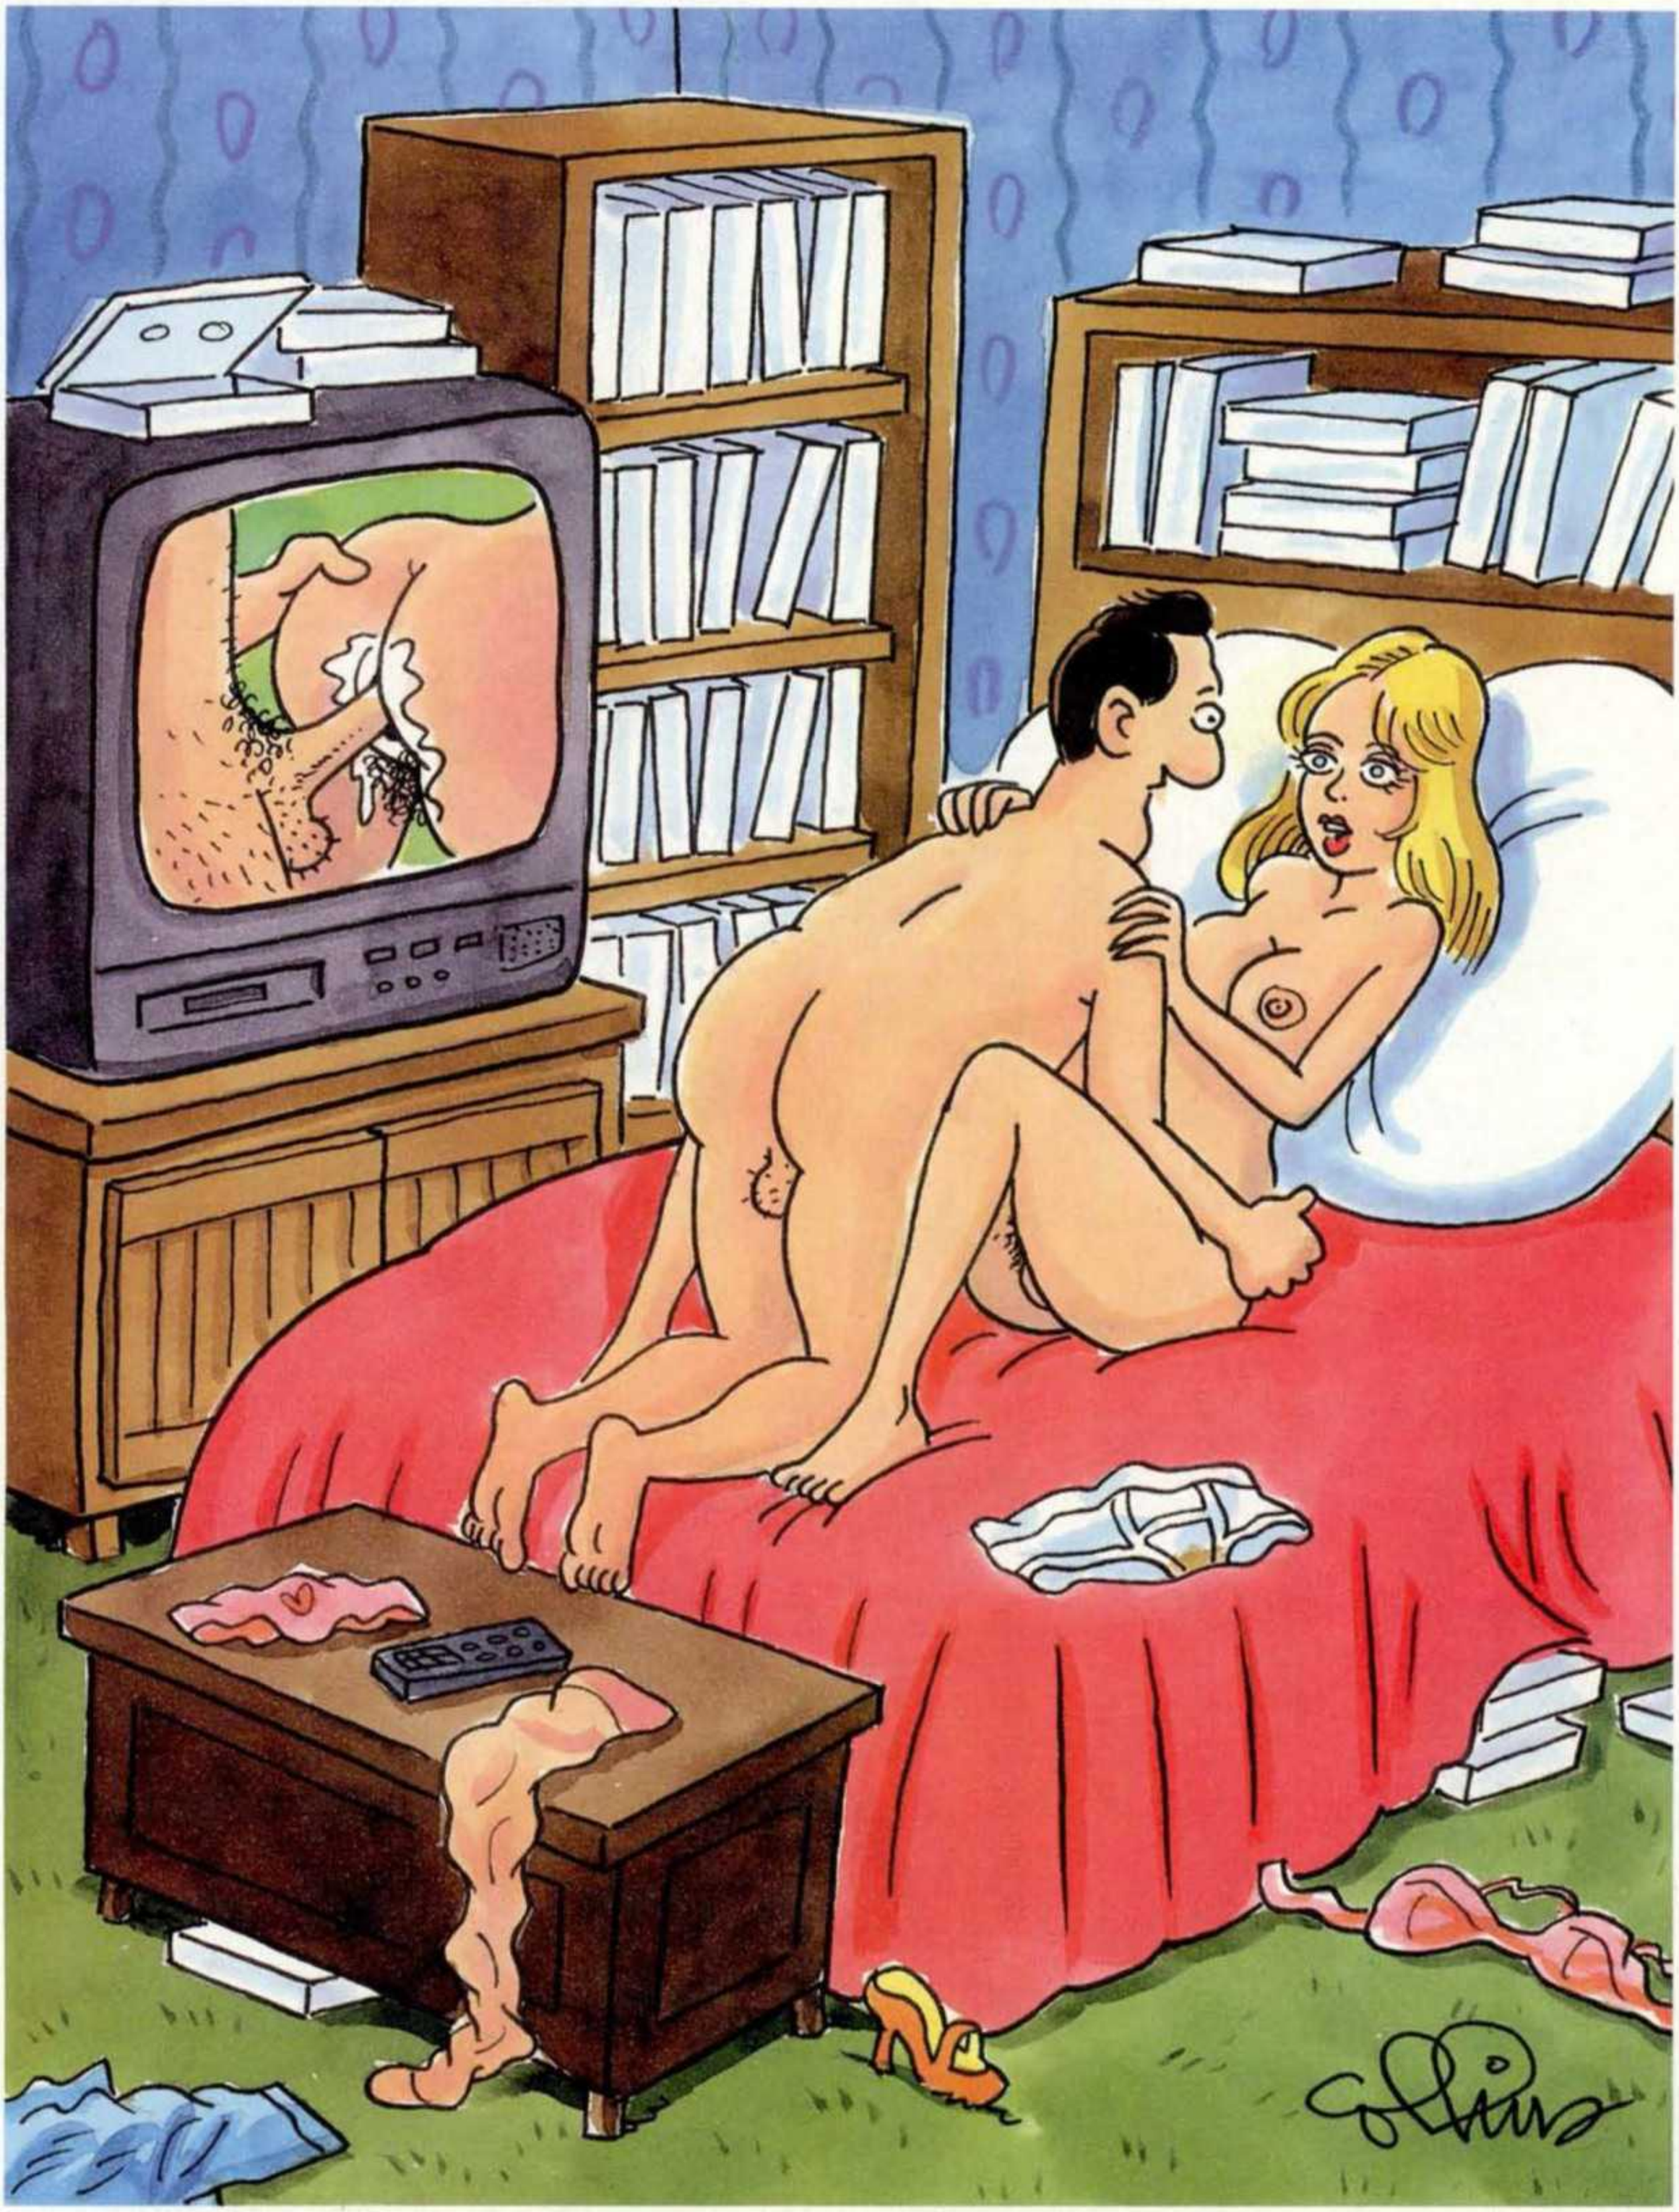
It is after dark by the time she finds Frank passed out in his sleeping bag. She curls into her bag, with an extra chunk of junk in her pocket to start off the next day.

* * *

"I'm not going to do this much longer," Laura says. "I haven't hooked all my life; I've been happy. I know what it feels like. I want to get back to the good things in life. I haven't been happy in so long."

Sick of the streets, Laura has cut down her heroin intake to a minimum maintenance level in preparation for quitting altogether. Laura wants to quit prostitution to try and salvage her life with Frank. She stopped heroin and prostitution for two months last winter, before falling back into both.

"I'm going to make it this time," she says. "I'm sick of this shit."



"This is real sex, Stewart. You can't fast-forward through the foreplay!"

Young ripe virgins spread their gooey li'l pussies for the camera in *Cherries 1* and *Cherries 2*. These are naive innocents—not porn sluts—that eagerly suck a hard cock for new and exciting thrills. On each 90-minute tape wet cherries are popped, fresh smiles are doused with cum-explosions, slumber parties become lesbo orgies, and sweet showoffs tickle their clean cunts. Gosh, some curious gals giggle as they get their tight, perfect-pink poo-holes fucked for the first time ever!

SMALL PENIS?
ERECTION PROBLEMS?
LINGA-100 is the pure, natural laboratory blend designed to actually enlarge the penis and induce & maintain multiple, long term erections. LINGA-100 allows a more intense, deeply satisfying male climax while developing sexual power, physical strength and mental awareness. LINGA-100 was developed by top Swiss scientists involved in natural sex hormone research. Thousands of European men have experienced dramatic results. Impotency overcome. Increases in organ size of one-to-two inches not uncommon.LINGA-100 is perfect for the older man's problems. Studies reveal women definitely consider the penis as the real measure of the man. Let LINGA-100 increase your sexual power and size. Only $9.95 plus $1 p/h. Order now!

THE BIG BANG

ALL LITTLE WOMEN: ANAL LOVERS

LATINA GIRLS

BARNYARD FANTASIES

PL-1 BIZARRE SEX SCENES, MIDGETS & MORE Tiny babes with super-tight pussies, sawed-off studs with full-size cocks, scenes too hot for the average viewer, and porno superstarlets: Mimi Miyagi, Lisa Lipps, Wendy Whoppers, Chantilly Lace, Samantha York, Paree, and many more!

PL-2 AMATEUR AUDITIONS Before they hit the bright lights and the big contracts a group of nasty nymphos had to convince the carnal camera that they had the stuff to make wet dreams come true, and that meant pushing the erotic edge and fucking hotter, deeper, heavier, and nastier than they had ever fucked before or since!

PL-3 AWESOME ANAL ASIANS Alex Dane, Kitty Yung, Saki, Cumisha Amado, and a host of A-hole humpin' honeys from the erotic East, like their lovers to come in their dirty backdoors and they prove it. The harder their asses are fucked, the faster they flick their own clits and the more they come. After a few orgasms, there ain't nothin' these ladies won't do to please their men!

PL-4 ORAL & FACIAL CUMSHOTS They're all so petite, so sweet, so good to eat. You can pick them up while you're pricking Davia, Kimberly Kummings, Nadia Nyce, Kirsty Waay, Melissa Monet, Barbara Doll, Missy, Brooke Waters, and a trove of other sultry smallish sirens. Their tight, tight pussies get stretched to the limit by massive meat, and that's just the way they like it.

PL-5 FIRST TIMERS: AMATEUR LITTLE WOMEN They're short, sweet and have such tight little pussies to squeeze your cock all night! Fuckin', suckin' "spinners" Monique Demoan, Angel Collins, Eva Flowers, and more make the most of what they've got, pleasuring their partners' pricks for pecker-pleasing hours with every inch of their toothsome, diminutive anatomy.

PL-6 GUYS WHO CRAVE BIG TITS A pretty face, shapely legs and a fine fanny are standard equipment for the average sex goddess, but if she's also got a set of humongous hooters, it pumps up your lust to a whole higher level. A bevy of superstars have the bodacious bazooms and an abundance of other feminine charms to blast your pocket-rocket into hours of orgasmic orbit!

PL-7 GIRLS WITH HUGE PUSSIES You had to have it, so here it is. See knockout nymphos take two, three, and even four fingers up their juicy love canals for hours of writhing ecstasy. Two dicks, cocks and dildos, fingers and tongues – anything (and everything) goes – right inside their nearly-bottomless passion pits.

PL-8 MASSIVE DICKS, TINY WOMEN Petite prick-pleasers, these beauties are small in stature but big in their cravings to be filled to overflowing with hot, male meat. You'll be amazed at how deep these little sweethearts can go. How can they get fucked so hard by such huge cocks without breaking in two? How can they swallow so much meat and not choke? Just watch!

PL-9 THE BIG BANG With a cock in each hand, a prick up their ass, a dick stammin' their snatch, and their mouths full of sizzling raw meat, a dozen nympho stars are featured in this classic collection of porn's greatest gang bangs of all time! These cum-hungry nymphos specialize in draining every dick in the house bone-dry, especially yours!

PL-10 ALL LITTLE WOMEN: ANAL LOVERS They are featherweight fuckatresses. These little nymphos can bounce up and down on a stiff cock all day long. These tiny temptresses can assume positions and do thing with their partners' dicks that just cannot be done by fat chicks. See for yourself and your cock will be glad you did!

PL-11 LATINA GIRLS The spiciest senoritas on the smut scene come together to give you salsa-hot hours of south of the border boning! A prick-pleasing bevy of copper-skin, cocksuckin' cuties grind, groan, suck, fuck, and cum with the fiery passion of the lustful, legendary Latin lover!

PL-12 BARNYARD FANTASIES No beasties here, just cream-screen queens Kylie Ireland, Wendy Whoppers, Jordan Lee, Torrisha Mills, Bianca Trump, Savannah, Lacey Rose, Lili Xene, Tianna Taylor, and many more doing it dirty down on the farm in the great outdoors.

DD-1 NURSE FANTASIES You won't need a doctor to cure what's ailing you, once these naughty nurses start their erotic exams. They know just what to do, how hard to do it and how long to keep it up. The cock-craving sweeties are here, all part of this awesome collection of XXX nurse fantasies come true.

DD-2 SEX WITH OLDER WOMEN XXX superstars Tiffany Million, Nina Hartley, Ona Zee, and many more show you why these venerable vixens can still out-suck and out-fuck the majority of their younger counterparts. As these maneaters mature, their hunger for hot male meat just continues to grow!

DD-3 BACK DOOR BABYSITTER Feverish fanny-fucking, young, backdoor women. They look like they've barely ever even been touched before, but their cumps swallow stiff pricks like they've been doing the backdoor boogie for years.

DD-4 SUPER VIDEO VIXENS: starring WENDY WHOPPERS These babes have got it all, looks, legs, tits, ass, cunt – all perfect. And these babes want it all – fingers, tongues, cocks, toys, and every inch and drop of lust they can get. Ultra busty nymphos Wendy Whoppers, Bianca Trump, and many others star here.

DD-5 GIRLS WHO CRAVE 18" COCKS What these ladies can do with a cock this big will fill you with awe, wonder, and overpowering lust. Every inch these size queens get gives them another orgasm, and they won't stop until they've cum, cum, and cum!

DD-6 BLACK MEN, WHITE WOMEN These nasty sluts crave those huge, hard ebony staffs of steel, begging for more as they take inch after creamy inch inside their fiery passion pits. The bigger the better, that's the philosophy of a horde of horny honeys.

DD-7 HOMEMADE AMATEUR VIDEOS No big stars here, just plenty of big cocks and giant orgasms. Reaming the rookie nookie makes for a prick-pounding good time in this cum-coaxin' collection of the fiery foxes who luck for free!

DD-8 ANAL FIRST TIMERS They are anxious, nervous, and scared, never having performed sodomy for the camera before. For a good first impression, so they're determined to take it all, long, fast, hard, and deep, and to love every fucking minute of it.

DD-9 TRIPLE PENETRATORS Teasing temptresses who take three dicks at once can be a whole lot of fuckin' fun, as you'll discover when you see Paree, Ashley Nicole, and a bunch of their like-minded sisters in sticky sin!

DD-10 1001 CUMSHOTS The title says it, and it's true. At a rate of 6.33 cum shots per minute, by the time this spunk spurting adventure is over, you will have seen enough sperm to populate a whole new planet!

DD-11 ASIAN GIRLS The cream of the mysterious East's best cock-pleasers have gathered here to show you the true ecstasy of sex, Geisha style. Top Asian cream queens are captured here in sensuous scenes as they live to please their men.

DD-12 NINETEEN & NEW A video virgin breaks her double-penetration cherry for the camera. A slew of small-breasted college-girl cuties suck and fuck with passion and experience. These 19-year-old nymphs really knew their way around a stiff prick.

PENIS ENLARGEMENT
DR. BROSS COMPLETE SYSTEM

You can have a longer, thicker and harder penis now! Our customers tell us 9 inches... 10 inches... EVEN A BIG 12 INCHES IS POSSIBLE!

The world's largest selling Penis Enlargement System used successfully for over 30 years with over 15 million satisfied customers.

Easy To Use! Fast Results!

CERTIFIED AND APPROVED FOR PENIS ENLARGEMENT BY DR. BROSS

HERE IS WHAT THE DR. BROSS PROFESSIONAL PENIS PUMPS CAN DO FOR YOU.

Increase penis thickness and length ▪ Stimulate a harder and more powerful erection ▪ Exclusive design maintains your erection (use my exclusive Comfort Fit Erection Prolong Ring for extended sex) ▪ Increase confidence, sex drive and sexual performance ▪ Intensify your orgasm.

The Dr. Bross Penis Enlargement System exclusive features not found on any other pumps.

■Our Exclusive **Power Vacuum Controller** adjusts the right amount of vacuum for your penis enlargement.
■Exclusive Injection molded totally enclosed **Vacuum Seal** clear cylinder **Guarantees 100% Vacuum** and no air loss.

Our 15 million customers tell us the Dr. Bross pumps are #1

We receive thousands of letters from satisfied customers – to many to print here. This is a typical letter from a satisfied customer.

"I wasted a hundred dollars on a couple of pumps. One broke right away and the other didn't do a thing. Then I tried the Dr. Bross Trigger Pump and it was absolutely amazing! The pump did exactly what you said it would do, enlarge my penis. I'm a very happy man and so is my wife. Thank you very much."
- Bob R., Chicago, Illinois

Adult video actors tell us the Dr. Bross Pumps are #1 Here is a letter from adult video actor Jon West

"The Dr. Bross pump is fantastic. I use it and so do many other adult video actors. For total penis enlargement to make you thicker and longer it is the only pump to use. It's not a toy masturbater like the other pumps. The Dr. Bross pump is 100% for penis enlargement."

In addition to customer satisfaction, an independent testing company says Dr. Bross Penis Pumps are #1

Tests determined the effectiveness and reliability for each pump. A large number of penis pumps failed after only less than 100 strokes.Tests measured the amount of vacuum created and sustained or if there were leaks due to air loss.

■The squeeze bulb pumps and the centric or center push pumps vacuum was not sustained because the pumps are attached to a straight cylinder with glue where air leaks would occur.
■The electric pumps use a fish aquarium motor converted from blowing bubbles in water to suck air. The vacuum created was minimal and not the vacuum needed for penis enlargement.
■There were two battery pumps tested. The Dr. Bross pump has a removable motorized housing so the clear cylinder could be cleaned separately. The other battery pump is one piece and when cleaning the cylinder would cause damage and rust to the wires, battery and motor.
■The Dr. Bross exclusive power vacuum controller is included in all their pumps and creates and sustains the vacuum needed for penis enlargement. This feature is not found on the other pumps.
■The Dr Bross cylinders are made of the highest quality injection molded clear Resin-K for strength and to easily view the penis enlargement. The cylinder is totally enclosed to prevent vacuum loss. The other manufacturers cylinders were cloudy and the plastic was cut from straight raw stock and glued to the pumps.
■After all of our tests we have determined that the Dr. Bross penis pumps are far superior to any other vacuum pumps for penis enlargement.
■For the most features the Dr. Bross trigger penis pump was rated number one of all penis pumps.

Dr. Joel Bross is a noted sex therapist, clinical sexologist in private practice since 1974. He specializes in sexual concerns for both women and men. He is responsible for the production of numerous educational sex videos.

All of Our Pumps Are Made in the U.S.A. **www.metco.com**

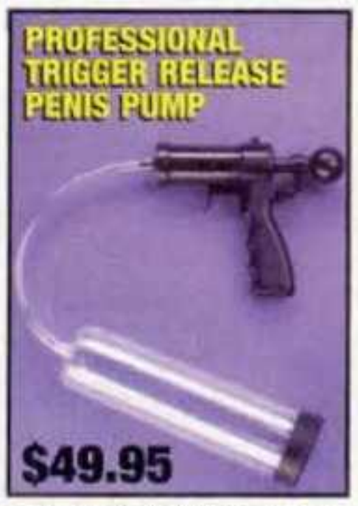
Insert the small soft penis into the clear cylinder. The exclusive cylinder ring makes a perfect vacuum seal.

Start the pumping and immediately you will see your penis grow thicker, harder and longer. Watch your penis grow to mammoth dimensions.

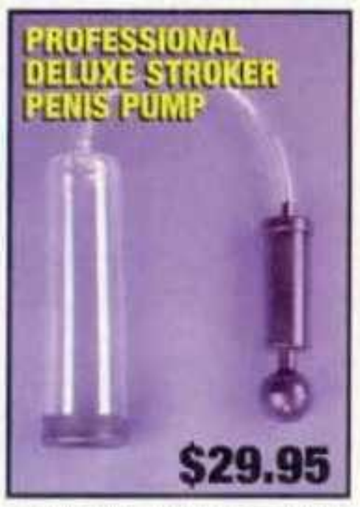
Reach your maximum potential up to 12 inches. You are now ready for sex or for extended sex use the Comfort Fit Adjustable Prolong Ring.

Even when the pump is not used the penis "hangs" thicker and longer.

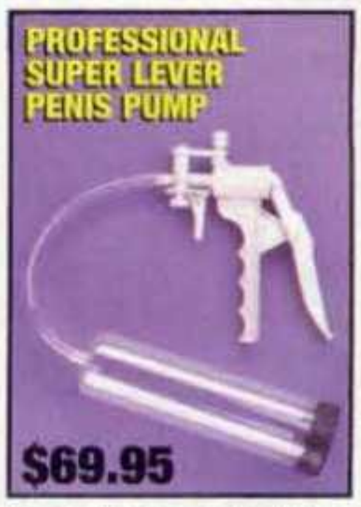
As an added bonus, we include *FREE* the Dr. Bross Penis Enlargement Photo Album and Penis Enlargement video. Actual photos and videos of users enlarging their penis.



Exclusive pistol grip and trigger design and the worlds largest selling vacuum pump for those men serious about Penis Enlargement. One hand operation fits comfortably like a pistol. Pull the trigger and instantly the piston releases the vacuum you need for a longer, thicker and harder penis. With these features and our low price, definitely the best value in Penis Enlargement Pumps



Extra long 10 inch piston assembly. The round knob fits comfortably in the palm of your hand. Produces the vacuum power you need for successful penis enlargement. Easier to pump than squeeze bulb novelty pumps and centric or center pumps that cannot sustain the vacuum. An excellent value.



The same type of pumps can sell for over $700.00. The lever pump offers one hand operation and comfort fit grip. A great value as we offer it to you at a fraction of the cost.

ALL ORDERS DISCREETLY SHIPPED WITH UNITED PARCEL OR PRIORITY MAIL.

One hand operation. Press the switch to start and release your finger to stop the motor. Complete control for continuous vacuum. Exclusive Feature: Self-contained motorized unit can be removed to clean the clear cylinder. Other battery pumps have the wires, motor and batteries attached to the cylinder and with use and cleaning can rust and damage the motor and batteries.

How The Enlargement Process Works.

Approximately 2/3 of your penis is made up of muscle tissue called corpus convernosum and that tissue can expand. The Enlargement process is called hypermiation. Blood rushes into the muscle tissue causing the penis to expand to your maximum potential.

Hot Letters

"We're out of toilet paper," drooled Nicole, "so your face will have to do." Stunned, I crouched beneath her pink stripe and was immediately rewarded with another squirt.

pleasure wall. Clarisse screamed and let loose a strange flutter inside her sugar walls; I don't like to squirt inside girls I've just met, but her butterfly-pussy kisses left me with no alternative.

"Coming," Clarisse grunted. I couldn't even manage a word. My backload of spunk was spraying hot lashes inside her hole, filling her to the brim and making the sluice even sloppier than before. I sprayed until my pork accidentally slid free, accompanied by a dribble of my steamy leavings.

I didn't land a job with Clarisse's studio, but she did buy the Vaginator for a cool grand. Anybody want to buy a replica of my little sister? —M. G.

PISSING IN THE WIND

Why the fuck would any heterosexual male want a female friend? I know that's a puzzler, but try this mind-bending question: Why would I choose to hang out with two ladies who never give me any scrunt? Well, hope springs eternal; this weekend, on a camping trip, a gushing yellow spring flowed over my face, reminding me why I put up with Nicole and Katie.

I met the girls at the office, where the three of us are the only employees under the age of 50. Nicole invited me to lunch with her and Katie one day, and we've been inseparable ever since. The fact that they're a pair of big-titted blondes doesn't hurt. Sometimes, Nicole gets drunk and flashes those magnificent udders at me. It's worth having all the geezers at work think I'm some faggot who only hangs with chicks.

When Nicole suggested the camping trip, I knew I had hit the jackpot. The three of us would jump into a sleeping bag together; I'd play the part of protector at every rustle of the trees. Unfortunately, Nicole and Katie actually brought a separate tent. What a pair of teasing whores!

In the middle of the night, I heard giggles and slurping sounds that confirmed my suspicions of their lesbian tendencies. You're probably wondering why I didn't tear through the wall of the tent and jump their bounteous asses. Believe me, the thought crossed my mind; I even snuck outside and peeked through their tent's zipper. Those cockteases were fully clothed, sucking down a bottle of Jack Daniels. They must have known I could hear every gurgle. Katie stared right through the zipper and met my gaze.

"There he *ish*," she slurred, drunk as the Indians who used to live on the campgrounds.

"Hey, you motherfucker," Nicole said with a laugh. "Hoping for a free show? As long as you're here, come with Katie and me while we go to the bathroom. We had too much to drink." That much was obvious. The ginches stumbled out of their tent, falling all over the place. To my delight—and torment—they both dropped trou and squatted in the dirt! I watched the pair of unashamed, cackling tinklers, carefully studying their muffs for later masturbatory uses. Nicole sported the untamed, dark bush I had always suspected, but Katie was trim and blond down there.

I've never been turned on by pissing before, but the way their hot, wild streams drenched everything in range—including Nicole's clothes and bare thighs—almost coaxed a pop in my shorts. You're probably wondering why I didn't tear off Nicole's soaked panties, stuff them in her mouth to keep her quiet and fuck her silly. Again, I simply didn't have a chance. She had already ordered me to take a seat beneath her.

"We're out of toilet paper," drooled Nicole, "so your face will have to do." Stunned, I crouched beneath her pink stripe and was immediately rewarded with another squirt. The warm gold hit my face and trickled onto my chest. She pissed like a fucking racehorse! I couldn't believe how erect I stood below the belt. Katie must have noticed, because she unzipped my pants and pulled out my veiny python. (Strictly as a friendly gesture, she later claimed.)

"I told you he'd drink *pish*," snorted the twat holding my prick. The last leak from Nicole's spout splashed onto my mouth, and Katie jerked my goods with a feverish intensity. I spurted almost as many gallons of liquid as Nicole. My secretion, of course, was white and pasty; the goo sailed so high, a glob hit Nicole on the nose.

She barked, "That wasn't very cool, you prick," and stumbled back to her tent with her pants around her ankles. I watched Katie's bare ass follow. I can't say that I really left our little camping trip with blueballs, although I did suffer from a yellow T-shirt. The next time we go eat lunch, I think I'll whack off in their Diet Cokes. Strictly as a friendly gesture, of course. —A. H.

"Oh, I'm not gay. I'm just here to get a blowjob."

Torri
Head Rush

PHOTOGRAPHY BY BOB TWIGG

"Sharing a room with two sisters didn't give me much privacy growing up," notes Torri, holding court in her tiled fortress of solitude. "When I started jilling off, the only place that I could do it uninterrupted was in the bathroom. The habit stuck, I guess—the crapper is still my favorite place to frig my nubbin."

Overcome by a sudden flush of passion, Torri delves into her own plumbing. Though her dextrous probing reveals no clog, she is clearly drained by the end of her exploration. Most people despair when their lives end up in the toilet; Torri couldn't imagine a happier existence.

ALL PHOTOS UNRETOUCHED

OVER 16 MILLION SATISFIED MEN USE OUR PROFESSIONAL

PENIS ENLARGEMENT Systems

YOU TOO CAN GO FROM MINISCULE to MAMMOTH & HAVE ERECT MEASUREMENTS UP TO 12 HUGE INCHES!

SIZE DOES MATTER!

EVERY DAY SINCE 1965 MEN IN 68 COUNTRIES ARE USING THE SUPRA-12 SYSTEMS!

WORKS ON NATURAL PRINCIPLES... NO GUESSWORK... NO MUMBO-JUMBO!

The male erection is produced when blood flows into the special *bulbocavernosus* muscles inside the penis shaft. As these muscles fill, the penis **increases in diameter and thickness.** By increasing their capacity as the SUPRA-12 does, they can hold more blood, resulting in **A DRAMATICALLY LONGER, THICKER ERECTION.** Users of SUPRA-12 say they're **"truly astounded"** when they see their penises reach **startling new proportions** inside the chamber of the SUPRA-12. **And you will be, too!**

THE SUPRA VALVE & SENTRY PROLONG RING ARE FEATURES NO OTHER MANUFACTURER OFFERS!

Getting a huge, fat erection is one thing... *keeping it* is another!! That's where the features of the SUPRA put it miles ahead of its competitors! The patented SUPRA Valve "locks in" the vacuum power for the **biggest size possible in the shortest amount of time.** Don't be fooled by claims of "more vacuum." Too much can cause medical problems. Every SUPRA-12 pump passes stringent quality control and is tested according to medical standards – no more – no less. And with the SENTRY Prolong Ring, you **can stay as hard as you want, for as long as you want. IMPORTANT! All professional medical vacuum pumps (including $500 models) include prolong or tension rings. Our Sentry fits any size penis, and there is no hassle in removal or pulling of the pubic hair as in others.** The nearly invisible SENTRY rests comfortably at the base of your penis, maintaining **your dynamic "super erection"** indefinitely, but never interfering with your pleasure - EVER! *You can penetrate your sex partner deeply, enjoying intercourse more than ever before, because the Sentry* ***GIVES YOU COMPLETE CONTROL!***

SAFE & EFFECTIVE... AN INCREDIBLE VALUE... 5 MODELS TO CHOOSE FROM!

According to **U.S. News and World Report,** our Vacuum Pumps and Erection Rings are "simple, safe and effective" (8/24/92). The SUPRA-12 is the World's Best Selling line of Penis Enlargement and Erection Building systems, and at a price that is an international "Best Deal!" Similar systems, when prescribed by physicians, can cost between $300 to $650 or more! That's why the SUPRA-12, with the patented SUPRA Valve

DON'T JUST TAKE OUR WORD FOR IT. HERE'S WHAT SOME OF OUR SATISFIED CUSTOMERS HAVE TO SAY:

"Wanted you to know your product really has worked for me. It's added 3" in length plus 1" in diameter to my penis. My partner tells me I don't need any more because I won't be able to use it. Enclosed are pictures of your pump in use. Another satisfied customer." –JK, South Carolina

"Your pump works very well. I have increased in length and width. My wife likes the results, too! A very pleases customer." –RL, Arizona

"I found the system effective in quickly producing an erection the likes of which I haven't experienced in many years. (I'm 73 years old.) –HG, Alabama

"I ordered the Erectronic pump 4-1/2 months ago – I went from 6-1/2 to 9 even. I'm very happy." –RT, Missouri

"I want to compliment you on your products and how well they work." –EJ, Texas

"I have increased my penis size to the following: from 8" to 11" in length. Do you have larger cylinders? Thank you." –WSP, California

LUCK O' THE GASH

Blarney muff demands to be kissed by St. Pussy eaters of all denominations in the March 2000 HUSTLER. Genesis is our buxom, blond covergirl. The D-cupped hottie spreads her vaginal wings and soars to orgasmic heights. A virgin toilet tart probes the depths of her sweet pussy while she sprawls her legs across the bowl. A lady cop arrests her male partner and sucks him into submission. The Irish aren't the only lucky stiffs during the merry month o' March. Charm yourself with the March 2000 HUSTLER.

DON'T HONK IF YOU'RE HORNY

Prostitution is the oldest profession. Of course, the pros can't ply their trade without johns to support them. Lately, johns have been under attack, their cars seized by police and stiff fines imposed for soliciting sex. Law enforcement and hooker advocacy groups are experimenting with shaming johns in *Scared Straight*-styled programs. Just like traffic school, offenders suffer through films featuring the spectrum of STDs that dirty streetwalkers sometimes carry. Education is better than prosecution, but is john school the answer? We enroll and discover the answer in the March 2000 HUSTLER.

FORESKINS REINVENTED

Circumcision, for some, is considered the first ripoff. An ancient Judeo-Christian tradition of self-sacrifice has transformed into an American institution, where 65% of male infants are circumcised for so-called health reasons. The blind tradition of circumcision is viewed to be genital mutilation by a few men who, as adults, go to great lengths to stretch what extra skin they have left into new foreskins. Identifying themselves as "tuggers," these devotees of the foreskin endure wearing complex stretching straps every day for years to make their foreskins grow. Is the new flesh as sensitive as an uncut cock's? Find out in HUSTLER's March *Sex Play*, "The Latest Flap Over Foreskins."

XXX SHENANIGANS

Mischievous HUSTLER madness continues in March's *Erotic Entertainment*, where a museum of mechanical fuck devices will thrill your pants off. What happens to whimpering, stray strippers who need food and shelter? HUSTLER's *Bits & Pieces* provides the answer: Bitch Rescue! St. Patrick's Day pussy will have you shouting Erin go braless, and pantyless as well, in HUSTLER's *Beaver Hunt*. Pick up the March 2000 HUSTLER and turn all the other leprechauns green with lustful envy.

March 2000 HUSTLER on sale January 11, 2000.
